ACCESS SERVICE

4. End User Access Service4.1 General Description

End User Access Service provides for the use of an End User Common Line (EUCL) by an end user. End User Access Service consists of EUCL Charges, Federal Service Universal Fee (FUSF) Charges, and may include End User Port Charges and Multiline Business Presubscribed Interexchange Carrier Charges (PICCs). The Telephone Company will provide End User Access Service to end users who obtain local exchange service from the Telephone Company under its general or local exchange tariffs. (T)

4.2 Service Provisioning

Use of an EUCL by an end user will be provided when the end user obtains local exchange service.

The Telephone Company will be responsible for contacts and arrangements with customers for the billing of End User Access Service charges.

The following items are not provided as part of End User Access Service:

- Telephone number
- Detail billing
- Directory listings
- Intercept arrangements

When changes are made to orders for local exchange service associated with End User Access Service, any necessary changes will be made for the End User Access Service.

ACCESS SERVICE

4. End User Access Service (Cont'd)4.3 Rate Regulations

This section contains the specific regulations governing the rates and charges which apply for End User Access Service. The EUCL Charge is billed on a per month basis to the end user customer of the Telephone Company or a local service provider that resells services of the Telephone Company (herein referred to as end user) for the associated local exchange service based upon the local exchange service types set forth in 4.3.1 following.

The PICC is billed on a per month basis to a Multiline Business end user when the end user's access line has not been presubscribed to an interexchange carrier. In the event a Multiline Business end user has presubscribed to an interexchange carrier, the PICC is assessed to the interexchange carrier to whom the Multiline Business end user's access line is presubscribed. These rates and charges apply as set forth in 3.3.3 preceding.

The End User Port Charge is billed on a per month basis to an end user for each such local exchange service line port.

Federal Universal Service Fee (FUSF) Charges are billed on a per month (T)
and/or on a per occurrence basis to the end user customer of the (C)
Telephone Company for the associated local exchange service based on (C)
the the local exchange services set forth below, unless otherwise (C)
noted. Local service providers that resell services of the Telephone (C)
Company are exempt from FUSF Charges. (T)

Specific rates and charges for EUCL Charges, FUSF Charges, and End User Port Charges are set forth in 4.4 (Rates and Charges) following.

ACCESS SERVICE

4. End User Access Service (Cont'd)4.3 Rate Regulations (Cont'd)4.3.1 End User Common Line Rate Elements(A) Primary Residential

For each local exchange service provided as residential service under the general or local exchange service tariffs, the End User Common Line-Primary Residential charge applies to one line at a service location.

When a local exchange service is provided as a multiparty service under the general or local exchange service tariffs, the first party at a service location is deemed to be a user of an EUCL and the End User Common Line-Primary Residential rate applies. Each additional party at a service location is assessed the Non-Primary Residential rate.

When an end user is provided a local residence exchange service by the Telephone Company, the End User Common Line-Primary Residential rate shall be reduced by 100% for qualifying low income subscribers meeting low income eligibility criteria established by their respective state commissions.

ACCESS SERVICE

4. End User Access Service (Cont'd)4.3 Rate Regulations (Cont'd)4.3.1 End User Common Line Rate Elements (Cont'd)(B) Non-Primary Residential and BRI ISDN

For each local exchange service provided at the same service location as primary residential service, the End User Common Line-Non-Primary Residential charge applies to each additional line. (Cx) (Cx) (Cx)

When a non-primary residential line is provided as a multiparty service, each party at the same service location is deemed to be a user of a EUCL and the End User Common Line-Non-Primary Residential charge applies to each such party. (Cx)

When local exchange service is provided as Basic Rate Interface (BRI) integrated services digital network (ISDN) service, one End User Common Line-Non-Primary Residential charge shall apply to each such local exchange service.

(C) Business

For each local exchange service provided as business service under the general or local exchange service tariffs when an end user is provided one local exchange service in a state by the same Telephone Company, the End User Common Line-Business charge applies to each line.

When a local exchange service is provided as a multiparty service under the general or local exchange service tariffs, each party is deemed to be a user of an End User Common Line and the End User Common Line-Business multi-party charge applies to each such party.

(D) Multiline Business

When an end user is provided more than one local business exchange service in a state by the same Telephone Company or when local exchange service is provided for use with payphone service, the End User Common Line-Multiline Business individual line or trunk charge applies to each such local exchange service.

When a local exchange service is provided as a multiparty service under the general or local exchange service tariffs, each party is deemed to be an end user of an End User Common Line and the End User Common Line-Multiline Business multiparty charge applies to each such party.

When local exchange service is provided as Primary Rate Interface (PRI) integrated services digital network (ISDN) service, five End User Common Line-Multiline Business individual line or trunk charges apply to each such local exchange service.

4. End User Access Service (Cont'd)4.3 Rate Regulations (Cont'd)4.3.1 End User Common Line Rate Elements (Cont'd)(E) Centrex CO and CO-like

For business Centrex CO and Centrex CO-like service lines installed or on order prior to July 28, 1983, the End User Common Line - Centrex CO charge as set forth in 4.4(E) following applies to each line. For such lines installed on or after July 28, 1983, the End User Common Line - Multiline Business charge as set forth in 4.4(D) following applies to each line. (T)

Centrex CO is a service that:

- (1) uses a portion of a Telephone Company switch located at the Telephone Company central office to meet the customer's internal needs and serves as the customer's interface with the local and interexchange networks, and
- (2) links the customer's main stations to the Telephone Company switch with subscriber loops.

Centrex CO-like services are services (e.g., ESSEX, Centron, Centraflex, Airport Service, Hotel-Motel Service) that operate in a manner that is the same as Centrex CO and

- (1) are provided using switches located at Telephone Company central offices, and
- (2) link customer main stations to the Telephone Company switch with subscriber loops.

Centrex Dormitory (residential) Service is a service to a college, university or school that serves both the university, college or school offices and the students or faculty dormitory (residential) quarters. The End User Common Line-Primary Residential and Non-Primary Residential charges will apply to the student or faculty dormitory (residential) quarters. The End User Common Line-Multiline Business charge will apply to the university, college or school offices. Charges shall be based on the number of office lines reported to the Telephone Company by the customer.
