E11. Special Facilities Routing of Access Services (T)

E11.1 Description of Special Facilities Routing of Access Services

E11.1.1 General

- (T)
- A. The services provided under this Tariff are provided over such routes and facilities as the Company may elect. Special Facilities Routing is involved, when, in order to comply with requirements specified by the IC, the Company provides *BellSouth SWA* service or Dedicated Access Service in a manner which includes one or more of the following conditions:
1. Diversity
Where two or more services must be provided over not more than two different physical routes.
 2. Avoidance
Where a service must be provided on a route which avoids specified geographical locations.
 3. Cable-Only Facilities
Certain Voice Grade services are provided on Cable-Only Facilities to meet the particular needs of an IC. Service is provided subject to the availability of cable-only facilities. In the event of service failure, restoration will be made through the use of any available facilities as selected by the Company.
- B. Avoidance and Diversity are available on *BellSouth SWA* service as set forth in Section E6. preceding, and Narrowband, Voice Grade (*a.k.a. BellSouth SPA DSO VG*) and Wideband Analog (*a.k.a. BellSouth SPA Wideband Analog*) services as set forth in Section E7. preceding. Cable-Only Facilities are available for *BellSouth SWA* service as set forth in Section E6. preceding and Voice Grade Dedicated Access (*a.k.a. BellSouth SPA DSO VG*) services as set forth in Section E7. preceding. (T)
- C. In order to avoid the compromise of special routing information, the Company will provide the required routing information for each specially routed service to only the ordering IC. If requested by the IC, this information will be provided when service is installed and prior to any subsequent changes in routing.
- D. The rates and charges for Special Facilities Routing of Access Services as set forth in E11.2 following are in addition to all other rates and charges that may be applicable for services provided under other sections of this Tariff.

E11.2 Rates and Charges for Special Facilities Routing of Access Services

The rates and charges for Special Facilities Routing of Access Services are as follows:

E11.2.1 Diversity

For each service provided in accordance with E11.1.1.A.1 preceding, the rates and charges will be developed on an individual case basis and filed following: (USOC SYD++)
