## A6. DIRECTORY LISTINGS

### A6.4 Non-Published (Private) Listing (Cont'd)

#### A6.4.1 General (Cont'd)

- B.** An incoming call to a subscriber with a non-published listing will be completed by the Company only when the calling party places the call by number. The Company will not connect a call to a non-published subscriber on behalf of another caller when the caller does not furnish the non-published number to the Company. The Company will adhere to this practice notwithstanding any claim of emergency the calling party may present. The acceptance by the Company of the subscriber's request to furnish a non-published number does not create any relationship or obligation, direct or indirect, to any person other than the subscriber.
- C.** In the absence of gross negligence or willful misconduct, no liability for damages arising from publishing a non-published number in the directory or disclosing said number to any person shall attach to the Company. Where a non-published listing is published in the directory, the Company's liability shall be limited to and satisfied by a refund of any monthly charges which the Company may have made for such listing, and at the subscriber's request, the Company will change the non-published number at no charge to the subscriber. The subscriber indemnifies and saves the Company harmless against any and all claims for damages caused or claimed to have been caused, directly or indirectly, by the publication of a non-published listing or the disclosing of said listing information to any person.
- D.** Numbers transmitted via Caller ID are intended solely for the use of the Caller ID subscriber. Resale of this information is prohibited as described in Section A13.
- E.** The number, name and address of the subscriber may be disclosed in connection with E911 service, whether such service is provided by the Company or any other person. The subscriber waives any privacy interests in his number, name and address in connection with E911 service.
- F.** For accounting purposes, the number, name, and address of a subscriber with a non-published listing will be provided to the Long Distance Carrier(s) which furnishes the subscriber long distance message telecommunications service.
- G.** The Company may provide number, name and address of a subscriber with a non-published number to the public safety agency certified, authorized and responsible for providing emergency notification services in the local city, county or municipality where the subscriber line associated with such number is located, pursuant to that agency's request under Emergency Service Provider Data Service (ESPDS) detailed in A38.4.
