Promotion Specifics

Qualified business customers will receive the fixed monthly portion of RCF service for the equivalent of \$5.00 per month per RCF feature arranged for local forwarding only, excluding 800 service lines, for a maximum period of twelve (12) months. Each RCF path must be located in the same state where the qualifying local exchange business service is established. The Subscriber will be billed the current applicable fixed monthly RCF rate (e.g. as specified in AT&T's lawfully filed tariffs or otherwise provided in AT&T's Price List) and provided monthly bill credits calculated to provide for an equivalent RCF fixed monthly rate of \$5.00. Any normally applicable usage charges associated with RCF will be applied and will not be subject to a discount. The discount will appear as a credit in the Rewards and Discounts section of the Subscriber's bill in either the current or a subsequent billing period usually within one or two billing cycles. After twelve (12) months, the monthly bill credits associated with this promotion will be discontinued and the RCF service will be billed the current fixed monthly rate.

A maximum of ten (10) such RCF features (initial/additional) per billing account can participate in the Program. Subscribers must order qualifying RCF service within 30 days of the establishment of the qualifying local exchange business service in order to be eligible for this discount. During the period of this promotion, normally applicable service charges (i.e. Secondary Service Charge) associated with the initial or subsequent installation of RCF features (participating in the Program) will be waived.

The Program is available to new AT&T business customers requiring RCF to maintain their local exchange business number(s) and to existing AT&T customers who are moving within their local area and who are required to change their business telephone number(s).
