(Obsoleted 04-11-98, Type 3) Measured Service will be obsoleted. Customers subscribing to the Measured Service option as of April 11, 1998, may retain this same service as long as this *Guidebook* is in effect. New connections for the Measured Service option will not be allowed beginning April 11, 1998. Residence Measured Service will be eliminated after February 1, 2002. (T)

A. Measured Service

1. Application, *Terms and Conditions*

- a. Green Cove Springs is a pilot location of the measured service pricing concept and the subscribers in the Green Cove Springs exchange having one of the measured options or unmeasured local exchange service or a service which combines both a measured and an unmeasured range on the same line as of December 1, 1981, may retain that same service as long as this *Guidebook* is in effect. New connections of the residence low use measured or residence or business measured options will not be permitted after this date. (T)
- b. Residence and business telephone customers will have the option of subscribing to one of these telephone services, with the exception of specific current services that will continue to be available under provisions of this exception *guidebook*. (T)
- c. Foreign exchange service served from the Green Cove Springs exchange (that is, with a Green Cove Springs telephone number) will no longer be offered to new customers as of the initial effective date of this *Guidebook*. Existing customers will be allowed to continue this service at their present location. (T)

Customers located in the Green Cove Springs exchange serving area with foreign exchange service served from another exchange (that is, with a telephone number of another exchange) within the Tier 1 local calling scope cannot subscribe to Measured or to Low Use Measured service for their co-located local service.

Customers located in the Green Cove Springs exchange serving area with foreign exchange service served from an exchange (that is, with a telephone number of another exchange) within Tier 2 or 3 of the Green Cove Springs local calling scope do not require a co-located local service line from the Green Cove Springs exchange. If the customer does subscribe to local Green Cove Springs service as well, this service cannot be Measured or Low Use Measured service.

- d. For foreign exchange service served from the Green Cove Springs exchange (that is, with a Green Cove Springs telephone number), and message rate service (with the exception of hotel, motel, and hospital service, which are addressed in i. following), the fixed monthly local exchange rate will be:

Message rate - As listed for Rate Group 2 exchanges in Section A3. Foreign exchange - As listed for the comparable combination service rate in this pilot.

- e. Their local usage charges will be as follows:

(1) Tier 1 Calls:

Unmeasured for foreign exchange served from Green Cove Springs.

Current message rate call allowance and additional message charges apply for message rate service.

(2) Tier 2 and 3 Calls:

Measured at the same tier usage charges applicable to individual line measured rate service. No usage allowance applies.

A103. OBSOLETE SERVICE OFFERINGS - BASIC LOCAL EXCHANGE SERVICE

A103.2 Local Exceptions (Cont'd)

A103.2.4 Green Cove Springs (Cont'd)

A. Measured Service (Cont'd)

1. Application, *Terms and Conditions* (Cont'd) (T)
 - f. Normal service charge application will not apply for one conversion, at the customer's request, from a measured service option. All other regular *guidebook* charges will apply as appropriate, except for those measured service exceptions listed herein. (T)
 - g. Measured service usage charges will not apply to calls to the Company Business Office, Repair Service, 911 Emergency Service, or for Directory Assistance.
 - h. Any combinations of measured rate, flat rate, or message rate services will not be allowed on the same premises, with the exception of:
 - (1) The non-administrative, inward terminations at a Telephone Answering Bureau.
 - (2) A flat rate Foreign Exchange line which is switched at a location outside the local calling area of the Green Cove Springs exchange.
 - (3) The selection of either flat rate service, message rate service, or measured rate service for all administrative lines of a Miscellaneous Common Carrier or Radio Common Carrier.
 - (4) Premises where pay telephones may properly be located.
 - (5) The termination of both Low Use Measured and Basic Measured Service at the same premises. Under no circumstances will Combination Unmeasured and Measured Service be permitted at the same premises as Low Use Measured, Basic Measured, or Unlimited Service.
 - i. The following services are not offered the option of subscribing to measured local exchange service: calling will be unmeasured to Tier 1 locations and intrastate toll rates will apply to calls to Tier 2 and 3 locations.
 - (1) Hotel/Motel

2. Rates and Charges
 - a. The Green Cove Springs local calling area will be subdivided into three tiers for measured service calling. Tier one will include the Green Cove Springs¹ exchange. Tier 2 will be the Middleburg, Orange Park, and Julington² exchanges. Tier three will be the Jacksonville and Maxville exchanges.
 - b. For purposes of this pilot measured service offering, the monthly local exchange service charges for residence or business measured services cannot exceed the rates as indicated in e. following. These rates are based on 125 percent of the rates for Unlimited basic exchange service that was grandfathered April 11, 1998.
 - c. The low use offering will not be available with rotary, or line hunting, service features.
 - d. Where a subscriber contracts for two or more individual measured rate lines on the same premises and agrees to grouped billing, the amount of monthly measured rate allowance per line, as specified following, will be multiplied by the number of such measured rate lines and measured usage in excess of this product will be billed at the measured charges as indicated following. PBX trunks serving the same PBX and group billed will also have the allowance multiplied by the number of trunks so billed in determining the measured charges. All lines or trunks included for such allowances must have the same central office designation and be of the same class of service.

Note 1: Penney Farms is combined with the Green Cove Springs exchange effective October 24, 1988.

Note 2: The Mandarin exchange area will be subdivided; a portion becoming part of the Jacksonville exchange area, the remainder is renamed the Julington exchange, effective June 27, 1987.

A103.5 Message Rate Service

A103.5.1 General

(Obsoluted 07-21-2001, Type 3) Message rate service will be obsoleted. Customers subscribing to the Message rate service as of July 21, 2001 may retain this same service as long as this *Guidebook* is in effect. New connections for Message rate service will not be allowed beginning July 21, 2001. Residence message rate service will be eliminated after February 1, 2002. (T)

- A. Business and residence individual line message rate service is offered in all exchanges except where noted in the Local Exceptions A103.2. Residence individual line message rate service is offered in all exchanges where facilities permit. The rates specified entitle subscribers to the number of messages specified to all exchange access lines bearing the designation of central offices of the serving exchange and extended area service additional exchanges as shown in A3.3.1. (T)
- B. Subscribers to message rate service are regularly billed monthly in advance. Messages in excess of the monthly message allowance are billed monthly in arrears. Local messages not used in one month's allowance are not credited to the subscriber's account for any other month service is rendered.
- C. Where a subscriber contracts for two or more individual message rate lines on the same premises and agrees to grouped billing, the number of monthly message allowances per line, as specified preceding, will be multiplied by the number of such message rate lines and messages in excess of this product will be billed at the additional local message charge as indicated following. All lines included for such allowance must have the same central office designation.
- D. Message charges will not apply to calls to the Company Business Office, Repair Service, Directory Assistance or Emergency 911 Service.
- E. Message rate service will not be provided in connection with the provision of Foreign Exchange or Foreign Central Office services.
- F. Generally, any combination of message rate and flat rate service will not be allowed on the same premises. See A2.3.2 for specific exceptions to this rule. (T)
- G. A message rate outgoing only line is also available to business and residence customers. See A103.29 for *terms, conditions* and rates. (T)
- H. Extended Calling Service (ECS) supersedes Message Rate Service for calls to ECS additional exchanges listed in A3.3.1, Local Calling Areas. See A3.7.3 for ECS *terms, conditions* and rates. (T)

A103.7.2 Enhanced Optional Extended Area Service

(Obsoleted 03-20-03, Type 4) Enhanced Optional Extended Area Service will be obsoleted. Customers subscribing to Enhanced Optional Area Service may retain this service at the same premises. This service is not available for new installations, moves, or transfers.

(Obsoleted 04-07-02, Type 4) Enhanced Optional Extended Area Service originating from the Keys will be obsoleted. Customers subscribing to Enhanced Optional Extended Area Service may retain this service at the same premises. This service is not available for new installations, moves, or transfers.

A. General

1. Enhanced Optional Extended Area Service (EOEAS) provides alternative billing for customer dialed station-to-station calls to locations outside a subscriber's extended area service local calling area, but within the same LATA. EOEAS is available in the following configuration:
 - a. Premium - This option permits residence subscribers to increase their unlimited local calling area by allowing the subscriber to make unlimited outgoing direct dialed calls to a specified Extended Calling Service exchange or exchanges within the subscriber's LATA. Premium customers will not be billed Extended Calling Service or Local Calling Plus rates. Customers pay a fixed monthly EOEAS additive in addition to the Individual Residence Line rate.
2. These services are offered in the exchanges specified in B.2 following subject to the availability of facilities and billing capabilities. These services are available to business and residence subscribers except as specified herein. Customers who subscribe to Access Line Service for Payphone Service Provider (PSP) telephones, Sharing and Resale of Basic Local Exchange Service, or lines which terminate in hotels, motels, nursing homes or hospitals to serve guests or patients may not subscribe to this service. EOEAS is not available to users of Dormitory Communications Service. Business customers and Residence Message Rate customers may not subscribe to the Premium option.
3. EOEAS is intended for the personal use or business use of the subscriber and may not be resold to others or used on a planned and continuing basis to intentionally avoid the payment in whole or in part of message toll charges by others.
4. Suspension of EOEAS is allowed subject to the terms and conditions specified in A2.3.16. During the suspension period, the monthly recurring rates for the service are rated at one-half their normal amounts. (T)
5. The rates for the Premium options are in addition to the rates for basic local exchange service.
6. The Premium option monthly rates are per residence subscriber line.
7. For each exchange that has an EOEAS offering, the access lines in the specified added exchange or exchanges will be recalculated yearly to determine if the residence Premium option monthly rate needs to be adjusted based on the rate matrix provided in B.1. following. If a rate adjustment is required, it will be made effective within two months of the issuance of a new directory and will be preceded by an appropriate customer notification.
8. During the six month period following the effective date of each authorized EOEAS plan, the normal service order charge will be waived for the initial selection of one of the options and for subsequent change (to a different option or back to the original service). Following this six month period the appropriate service order charge as specified in Section A4. will apply to EOEAS activity.

 Local Measured Service and Message Rate Service will not be allowed beginning July 21, 2001. Residence Outgoing Only
 Service for Local Measured Service and Message Rate Service will be eliminated after February 1, 2002.

- A. Outgoing Only Service provides outgoing only access to the network for residence and business customers desiring to have a line that cannot receive calls.
- B. Outgoing only lines are capable of accessing all exchange access lines bearing the designation of central offices of the serving (T)
 exchange and additional exchanges as shown in A3.3.1 for flat or message rate Local Calling Areas.
- C. Residence and business outgoing only lines are offered on a message rate basis at rates equal to the exchange's associated residence or business individual line message rate. (An outgoing only message rate line has the same allowance and charge for messages over the allowance as is applicable for an individual line). In addition, where Local Measured Service is currently available, residence and business outgoing only lines are offered on a measured basis at the same associated measured access line and usage rates and with the same allowances as the individual (two-way) measured lines. (See A103.2 Local Exceptions)
- D. Calls to the telephone number associated with this service will be routed to an appropriate central office recording.
- E. The telephone number associated with this service will not be published.
- F. This service will be allowed to work as the open end of Foreign Exchange Service, unless otherwise specified.
- G. An outgoing only line may be a customer's only Basic Local Exchange Service or may be in addition to other two-way service. However, if it is in addition to other two-way service both must be of the same type (i.e., message rate or measured).
- H. Other services involving the receipt of incoming calls (i.e., Rotary service, Remote Call Forwarding, Incoming Optional Calling Plans, Optional Extended Local Calling (between Daytona Beach and New Smyrna Beach), Call Forwarding Variable, Call Waiting, Call Forwarding Busy Line, Call Forwarding Don't Answer, RingMaster service, TouchStar service, etc.) cannot be offered in association with Outgoing Only Service.
- I. Neither Prestige service, Customized Dialing Packages, nor Customized Code Restrictions are available in association with Outgoing Only Service.
- J. Outgoing Only Service is not available with the following Enhanced Optional Extended Area Service (EOEAS) options:
 - Premium (in the Bunnell, Flagler Beach, Palm Coast, Geneva and Sanford exchanges)
 - Incoming Discount

A103.43.1 Plan Descriptions**A. BellSouth Business Plus Service**

1. BellSouth Business Plus service is offered as a business individual line service where facilities and equipment are available.
2. BellSouth Business Plus service allows the business customer to choose between two LATA-wide calling options:
 - a. Option 1 - Flat rated plan which allows for unlimited calling within the LATA (subject to a total usage allowance of 120 hours/7,200 minutes).
 - b. Option 2 - Combination rated plan which provides for unlimited usage within the serving exchange and extended area service additional exchanges as shown in A3.3.1, for a flat monthly charge, and a single rate for each minute of use for all other calling within the LATA.
3. The option chosen by the BellSouth Business Plus service subscribers will apply to each of their lines.
4. Customers may subscribe to either the standalone BellSouth Business Plus service offering or to the BellSouth Business Choice Package (See A103.44) which includes a BellSouth Business Plus service line option or to the BellSouth Complete Choice for Business package (See A3.45) which includes a BellSouth Business Plus service line. If BellSouth Business Plus service is subscribed to, the rates of A103.43.2 are applicable. If BellSouth Business Choice Package or BellSouth Complete Choice for Business package is subscribed to, the rates of A103.44.2 or A34.5.2, respectively, are applicable. All of the *terms, conditions* and limitations specified for each offering will apply to the respective services and features. (T)

A103.43 (BellSouth Business Plus Service (Cont'd))

A103.43.1 Plan Descriptions (Cont'd)

- A. BellSouth Business Plus Service (Cont'd)
 - 5. Usage rating is dependent upon the underlying service of the originating call location. When BellSouth Business Plus service usage charges as described in paragraph 2 are applicable, they will also apply to 1+, 0+ and 0- calls made within the LATA. However, for 0+ and 0- calls, usage does not contribute toward the Option 1 usage threshold and each minute of use is rated. The appropriate operator services surcharges will also be charged in accordance with the *terms and conditions* of A3.10. (T)
 - 6. BellSouth Business Plus service Option 2 customers only may subscribe to Local Usage Detail for billable usage. There is no charge for the Local Usage Detail.
 - 7. Method of Determining Monthly Usage Charges
 - a. Usage is determined for each call based on minutes or fraction thereof, with a minimum call duration of one minute. This value is then multiplied by the rate per minute for the rate option selected by the customer. The resultant amount is truncated to whole cents for each call. The amount of usage billed to the customer is subject to paragraphs b and c.
 - b. For Option 1, only usage above the first 120 hours (7,200 minutes) of usage allowance is billed to the customer.
 - c. For Option 2, only usage outside the serving exchange and extended area service additional exchanges as shown in A3.3.1 is subject to the billing as described in paragraph a.
