**A103.43 (BellSouth Business Plus Service (Cont'd))**

**A103.43.1 Plan Descriptions (Cont'd)**

- A. BellSouth Business Plus Service (Cont'd)
  - 5. Usage rating is dependent upon the underlying service of the originating call location. When BellSouth Business Plus service usage charges as described in paragraph 2 are applicable, they will also apply to 1+, 0+ and 0- calls made within the LATA. However, for 0+ and 0- calls, usage does not contribute toward the Option 1 usage threshold and each minute of use is rated. The appropriate operator services surcharges will also be charged in accordance with the terms and conditions of A3.10.
  - 6. BellSouth Business Plus service Option 2 customers only may subscribe to Local Usage Detail for billable usage. There is no charge for the Local Usage Detail.
  - 7. Method of Determining Monthly Usage Charges
    - a. Usage is determined for each call based on minutes or fraction thereof, with a minimum call duration of one minute. This value is then multiplied by the rate per minute for the rate option selected by the customer. The resultant amount is truncated to whole cents for each call. The amount of usage billed to the customer is subject to paragraphs b and c.
    - b. For Option 1, only usage above the first 120 hours (7,200 minutes) of usage allowance is billed to the customer.
    - c. For Option 2, only usage outside the serving exchange and extended area service additional exchanges as shown in A3.3.1 is subject to the billing as described in paragraph a.
  - 8. Rotary service associated with Business Plus service, whether subscribed to on a standalone basis or as part of Business Choice Package service, shall be billed in accordance with A3.43.4.
