### A3. BASIC LOCAL EXCHANGE SERVICE

#### A3.1 General

- A. Basic local exchange service, as offered in this Guidebook, is comprised of exchange access lines defined as follows:  
Exchange Access Line - The serving central office line equipment and all the Company plant facilities up to and including the Company-provided Standard Network Interface. These facilities are Company-provided and maintained and provide access to and from the telecommunications network for message toll service and for local calling appropriate to the offering selected by the customer.
- B. Exchange access lines are subject to the nonrecurring charges specified in Section A4.
- C. Rates for basic local exchange service are applied on the basis of statewide groupings according to the total number of exchange access lines, PBX trunks and network access registers in the local calling area excluding the Extended Calling Service exchanges.
- D. Exchange Service Areas for each exchange are identified on maps.
- E. The rates for service and equipment not specifically shown in this section are presented in other sections of this Guidebook.
- F. Pursuant to passage of the Telecommunications Access System Act of 1991 by the Florida Legislature during the 1991 session, a monthly surcharge shall be imposed on all local exchange telecommunications company subscribers on an individual access line basis, except that such surcharge shall not be imposed upon more than 25 basic telecommunications access lines per account bill rendered. The Commission shall determine the amount of the surcharge; however, in no case shall the amount exceed 25 cents per line per month. The surcharge shall appear on the initial bill to the subscriber and itemized at least once annually.
- G. A Cost Assessment Charge (CAC) is assessed on a per access line basis for residential and business customers. The CAC recovers ongoing costs associated with the administration of Local Number Portability. The CAC also recovers property taxes from business customers. This charge is not a tax or fee that the government requires AT&T to collect from customers. The following will not be assessed a CAC: Resale, Lifeline, 911 Services, Coin Services and Federal, State and Local Government Accounts.
