## A3.47 AT&T Business Local Calling (BLC) (Cont'd) A3.47.4 Termination Liability and Shortfall (Cont'd)

- **B.** Termination charges are not applicable if, during the term period:
  - 1. the customer converts to another Company access and local usage plan with a term equal to or greater than the time remaining on the AT&T Business Local Calling term plan. For 20+ line agreements the customer must also establish a new line commitment at least as great as in their initial subscription in order to qualify; or
  - 2. the customer converts to an upgraded technology with the Company (e.g., network access lines to PBX Trunks, Centrex, ISDN) and commits to a term equal to or greater than the time remaining on the AT&T Business Local Calling term plan. It is at the Company's sole determination whether a product change satisfies the requirements for waiver of the termination liability under this clause; or
  - 3. the customer chooses to terminate their agreement and to negotiate a new AT&T Business Local Calling agreement with a term period greater than the time remaining on the existing AT&T Business Local Calling agreement. The new service agreement will be based on the term plan rates in effect at the time of establishing the new agreement. For 20+ line agreements the customer must also establish a new line commitment at least as great as in their initial subscription in order to qualify.
  - 4. An AT&T ILEC Service (referred to as the "Terminated ILEC Service") provided under an AT&T Business Local Calling Agreement is migrated to a qualifying AT&T Business Voice over IP (BVoIP) Service or to a qualifying AT&T Mobility Service (referred to collectively as the "Replacement Service"), then the Early Termination Charge associated with the Terminated ILEC Service will be waived provided:
    - a. the Terminated ILEC Service has been installed at the Customer site for no fewer than 3 months;
    - b. the Term of the Replacement Service agreement is equal to or greater than the remaining term for the Terminated ILEC Service;
    - c. the Replacement Service is installed or available at the same Customer sites as the Terminated ILEC Service;
    - d. the Replacement Service is contracted for in the same relative quantity(ies) as those Terminated ILEC Services being displaced; and
    - e. activation of the Replacement Service at the Customer sites or for Customer use at such Customer Sites occurs within 90 days of termination of the ILEC Service at that site.
    - It is at the Company's sole discretion whether a product change satisfies these requirements.
- **C.** For customers who initially subscribe to 20+ lines: in any month during the term of an AT&T Business Local Calling agreement if the customer's total number of subscribed lines falls below 80% of the number of lines subscribed to on the agreement, then a shortfall adjustment charge will be applicable and will appear on the customer's bill for each of those months. This shortfall adjustment charge is equal to \$10.00 times the number of lines below the 80% requirement.
