A7.9 Local Usage Detail (LUD)

A7.9.1 General

- A. Local Usage Detail (LUD) is an option for Access Line Service for Payphone Service Provider Telephones subscribers who desire a printed listing of local call details for calls placed to the basic local calling area and to the expanded calling area, if applicable, in addition to the usual summary billing of all dialed, sent-paid, billed local usage. (C)
- B. The provision of LUD will coincide with the billing period(s) for the access lines to receive detailed billing; i.e., the reporting of expanded call details will start at the beginning of a billing period and stop at the end of a billing period. For existing customers, LUD should be ordered at least five days prior to the billing date to ensure the timely start or stop of detailed reporting. However, if LUD is requested on an order which establishes service, detailed reporting will start coincident with establishment of the service.
- C. LUD will be provided on a per account basis.
- D. Charges for LUD are in addition to applicable local usage charges specified in this *Guidebook*. (T)

A7.9.2 Rates and Charges

- A. The following charge applies for LUD.
 - 1. Per Month

(a) Per Access Line	Charge	USOC
	\$3.50	LUDLP

- B. When an order is issued solely to initiate LUD, a Secondary Service Order charge applies. Otherwise, normal service order charges apply.
