E4. END USER ACCESS

The Company will provide End User Access Service (End User Access) to end users who obtain local telephone exchange service from the Company under its general and/or local exchange tariffs.

E4.1 General Description

- A. End User Access provides for the use of an End User Common Line (EUCL) by an end user to make and receive intrastate calls.

E4.2 Limitations

- A. A telephone number is not provided with End User Access.
- B. Detail billing is not provided with End User Access.
- C. *BellSouth Directory Assistance Access service* listings are not included with End User Access.
- D. Intercept arrangements are not included with End User Access.

(T)

E4.3 Undertaking of the Telephone Company

- A. The Company will provide use of an EUCL at rates and charges as set forth in E4.7. following, as follows:
 1. Use of an EUCL by an end user for access to intrastate access services provided under this tariff. Such use will be provided when an end user obtains local telephone exchange service and includes the use of the line between the end user premises and the central office which normally serves the end user premises.
 2. The Company will be responsible for contacts and arrangements with end users for EUCL charges.

E4.4 Obligations of the End User and the IC

- A. The end user, when it orders local telephone exchange service, authorizes the Company to provide End User Access except for local telephone exchange service where a waiver of the End User Access charges has been granted by the appropriate state regulatory agency.
- B. The end user shall be responsible for all contacts, arrangements and charges with the IC or other entity concerning the services or arrangements accessed or terminated by the EUCL.

E4.5 Payment Arrangements and Credit Allowances

(N)

A. Minimum Period

(N)

The minimum period for which EUCL End User Access is provided to an end user and for which charges are applicable is the same as that in the general and/or local exchange tariffs for the associated local exchange telephone service.

(N)

B. Cancellation of Application

(N)

End User Access is cancelled when the order for the associated local telephone exchange service is cancelled. No cancellation charges apply.

(N)

C. Changes to Orders

(N)

When changes are made to orders for the local telephone exchange service associated with End User Access, any necessary changes will be made for End User Access. No charges will apply.

(N)

D. Allowance for Interruptions

(N)

When there is an interruption to an EUCL provided for the use of an end user, the credit allowance for interruptions as set forth in E2.2.4. preceding apply.

(N)

E. Temporary Suspension of Service

(N)

When an end user temporarily suspends its local exchange service which is associated with EUCL, one-half of the EUCL per month charge will be temporarily suspended for the time period the local exchange service is suspended.

E4. End User Access

E4.6 Rate Regulations

- A. EUCL monthly charges will be billed to the end user of the associated local telephone exchange service.
- B. For each local telephone exchange service provided as residential service under the general and/or local exchange service tariffs, the EUCL Residence-Individual-Line or trunk rate as set forth in E4.7 following applies.
- C. For *Centrex Type Services* where the rates are stated on the basis of discrete simulated paths to the exchange network, each such path shall be counted as a Centrex Common Line and the rates as set forth in E4.7 shall apply. For Centrex *Type Services* where the rates are stated on the basis of the number of stations provided, each station shall be counted as a Centrex *Services* Line. (C)

For Dormitory Type (Residence) Service, the individual line or trunk EUCL residential rate as set forth in E4.7 following applies.

Each line provided from a Centrex switch (i.e., a single Centrex *Type Services* customer group having a common dialing plan, a listed number and, when provided, *an* attendant) to a station at a premises which is not fully restricted will be counted as a Centrex Service Line. The total number of service lines counted for Centrex *Type Services* will then be used to develop Centrex Common Lines in accordance with the following table. (C)

Total Centrex Service Line	Centrex Common Line
100 to 111	16
112 to 125	17
126 to 139	18
140 to 155	19
156 to 171	20
172 to 189	21
190 to 207	22
208 to 225	23
226 to 243	24
244 to 262	25
263 to 281	26
282 to 300	27
each additional 18 lines	1

Each Centrex Common Line as set forth in the above table shall be rated as set forth in E4.7 following.

- D. For each local telephone exchange service provided as a multiparty service under the general and/or local exchange service tariffs, each party is deemed to be a user of an EUCL and the EUCL Residence or Business-party rate, as appropriate, as set forth in E4.7 following applies.
- E. For each local telephone exchange service provided as semi-public service under the general and/or local exchange service tariffs, the EUCL Residence or Business-Semi-public rate, as appropriate, as set forth in E4.7 following applies.
- F. For each local telephone exchange service provided under the general and/or local exchange service tariffs other than those specified in B., C., D. and E. preceding, the EUCL Business-Individual line or trunk rate as set forth in E4.7 following applies.
