UAN will be provided under the following terms and conditions.

Where more than one UAN is established at the same TOPS tandem location for the same customer and the UANs are ordered and installed at the same time, the first nonrecurring charge rate element applies to the first UAN. Each additional UAN number will be billed at the additional service installed rate. The same nonrecurring charges and application apply per TOPS tandem for number changes, i.e. UAN or point-to numbers, requested by the customer subsequent to the original UAN assignment. (M)
6. Number changes required for Company reasons will not incur the Service Establishment Charge. (M)
7. A customer may reserve UANs to meet his specified growth requirements at specific locations. In the event the customer elects not to be provided with reserved UANs, assignment of these UANs cannot be assured. (M)

14. No local measured or message rate service charges or long distance message telecommunications service charges will be collected from end users for calls to a Uniform Access Number customer. Long distance charges associated with calls to a UAN will be reverse billed to the UAN customer. (M)
