All charges due by the subscriber are payable at the Company's Business Office or at any agency duly authorized to receive such payments. If objection in writing is not received by the Company within twenty-nine days after the bill is rendered the account shall be deemed correct and binding upon the subscriber.
- B. The subscriber shall pay monthly in advance or on demand all charges for service and equipment and shall pay on demand all charges for long distance service. The subscriber is responsible for payment of all charges for services furnished the subscriber, including charges for services originated or charges accepted at the subscriber's station.
- C. A collections fee of **\$6.50** will be applied to the bill of each residence subscriber with an unpaid balance (including amounts billed in accordance with the Company's Billing and Collections Services) when the previous month's bill has not been paid in full prior to the next billing date. Any subscriber who is a recipient of Lifeline assistance will be exempted from a late payment charge. (C)(I)
- D. A collections fee of \$15.00 and an interest charge of one and one half percent (1.5%) of the unpaid balance will be applied to the bill of each business subscriber with an unpaid balance greater than \$20.00 (including amounts billed in accordance with the Company's Billing and Collections Services) when the previous month's bill has not been paid in full prior to the next billing date.
- E. Should service be suspended for nonpayment of charges, it will be restored upon payment of the Line Change Charge from Section A4.
1. A charge of \$30.00 will apply whenever a check or draft presented for payment for service is not accepted by the institution on which it is written.
- F. When the service has been disconnected for nonpayment, the service agreement is considered to have been terminated. Reestablishment of service may be made only upon the execution of a new service agreement which is subject to the provisions of this Guidebook.
- G. In its discretion, the Company may restore or reestablish service which has been suspended or disconnected for nonpayment of charges, or otherwise discontinued, terminated or interrupted, prior to payment of all charges due. Such restoration or reestablishment shall not be construed as a waiver of any rights to suspend or disconnect service for nonpayment of any such or other charges due and unpaid or for the violation of the provisions of this Guidebook; nor shall the failure to suspend or disconnect service for nonpayment of any past due account or accounts operate as a waiver or estoppel to suspend or disconnect service for nonpayment of such account or of any other past due account.
- H. In the event of a proposed disconnection of residential basic local service only, the following shall apply:
1. No basic residential service shall be disconnected for local service charges until at least 29 days from the date of the bill.
  2. No residential service can be disconnected for local service charges unless the Company has given the affected subscriber a written notice of the proposed disconnection at least five (5) days before the proposed date of disconnection. The notice must include:

B. When monthly rates are specified, the minimum charge will be for one month.
