A13.11 Remote Call Forwarding (Cont'd)

A13.11.3 Directory Listings

One listing in the Alphabetical Section of the Directory covering the exchange in which the call forwarding central office is located is provided without additional charge. Where a customer or an associated group of customers order multiple Remote Call Forwarding numbers for the same type of business in the same local directory area, the Company reserves the right to limit and remove listings for Remote Call Forwarding service, where the number of listings: 1) are excessive; 2) detract from the appearance of Company's directory; 3) diminish or lessen other customers' listings; or 4) are designed to gain a numeric and competitive advantage over other business entities in the same line of business.

A13.11.4 Minimum Contract Period

The minimum contract period for this service is one month.

A13.11.5 Charges

- A. The following charges are for the Remote Call Forwarding feature and additional access facilities only and are in addition to applicable charges for service and equipment with which it is used.

- 1. Remote Call Forwarding

	Monthly Rate	Monthly Rate	USOC

Where customers have fifteen or more unique RCF features on a billing account, a credit of twenty-five percent (25%) will be applied per billing cycle to the monthly rate for each such unique service feature, including the first fifteen. For purposes of qualifying for such credit, a unique feature is defined by calling scope, jurisdiction and business/residence classification: e.g., Residence, Intrastate, IntraLATA; or, Business, Measured Local. Additional Access Paths also qualify as a unique feature. Unique features may not be combined to qualify for this credit: e.g., local features may not be combined with toll features.

A13.11.6 Message Charges

- A. The message charges applicable to remotely forwarded calls shall be comprised of two separate charges: (1) a charge for that portion of the call from the originating station to the call forwarding location, and (2) a charge for that portion of the call from the call forwarding location to the terminating station. The respective charge for each such portion shall be as follows:

- 1. Between the originating station and all forwarding locations.

The charge for this portion of a remotely forwarded call shall be the charge specified in this or any other applicable service publication for the type of call involved.

- 2. Between the call forwarding location and the terminating station.

The Remote Call Forwarding customer is responsible for the applicable charges specified in this or any other applicable service publication for other than seven- or ten-digit local calling. These charges apply to all calls answered at the terminating station, including person-to-person and collect calls, even though such calls might not be accepted at the answering location.

No message charges apply for seven- or ten-digit local calling.
