A3. BASIC LOCAL EXCHANGE SERVICE

A3.1 General

- A. Basic local exchange service as offered in this Guidebook, is comprised of exchange access lines defined as follows:
 Exchange Access Line - The serving central office line equipment and all the Company plant facilities up to the demarcation point. These facilities are Company-provided and maintained and provide access to and from the telecommunications network for message toll service and for local calling appropriate to the guidebook use offering selected by the customer.
- B. Exchange access lines are subject to the nonrecurring charges specified in Section A4.
- C. Rates for basic local exchange service are related to total exchange access lines and PBX trunks in the local calling area.
- D. Base Rate Areas, Locality Rate Areas and Exchange Service Areas for each exchange are identified on maps.
- E. The rates for service and equipment not specifically shown in this section are presented in other sections of this Guidebook.
- F. Rates for business basic local exchange service and residence PBX trunk service include Touch-Tone dialing capability which facilitates the origination of telephone calls using instruments equipped for tone-type address signaling. (Effective 5/1/2005, rotary-dial is not available for additions, new installations or transfers of service).
- G. Residence Access Line Retention Offer
 Effective January 1, 2021, this offer is no longer available to new subscribers. Existing subscribers may retain the 12 month credit through the end of their promotion period. (N)
