E. (Cont'd)

3. Terminating access per minute charge(s) apply to: (Cont'd)

If a dispute arises concerning the IC provided quarterly percentage report, the Company may request the IC to provide the data the IC used to determine the percentage. The IC shall keep records from which the reported percentage credit can be ascertained. Upon request of the Company, the IC shall make records available for inspection as reasonably necessary for purposes of verification of the percentages and shall supply the data within 30 days of the Company's request. The Company will not request such data more than twice a year.

4. The originating access per minute charge(s) apply to all originating access minutes of use:

- less those originating access minutes of use associated with BellSouth SWA FGA and BellSouth SWA LSBSA services where off-hook supervisory signaling is forwarded by the IC's equipment when the called party answers;
- less all originating access minutes of use associated with calls placed to 700, 800 and 900 numbers;
- plus all originating access minutes of use associated with calls placed to 700, 800 and 900 numbers for which the IC furnishes a report of the percentage of minutes that terminate in a BellSouth SWA service that is assessed Carrier Common Line Access service charges, and for which a corresponding reduction in the number of terminating access minutes of use has been made as set forth in 3. preceding.
