### A42.3 Primary Rate ISDN (Cont'd)

#### A42.3.2 Terms and Conditions

- A. Primary Rate ISDN is available on a month-to-month basis or under variable rate periods, with rates based on lengths of twelve to twenty-three months<sup>1</sup>, twenty-four<sup>1</sup> to forty-eight<sup>1</sup> months or forty-nine<sup>1</sup> to seventy-two<sup>1</sup> months under conditions specified in the Channel Services Payment Plan (CSPP) in B2.4 of the Private Line Guidebook and as stated following:
1. A volume discount schedule is available to customers under month-to-month or contract rates as described in A42.3.4.E. A rate discount for Primary Rate ISDN Interfaces is calculated based upon the quantity of Primary Rate ISDN Interfaces on a billing account. In addition, a discount for Primary Rate ISDN B-Channels is calculated based upon the number of Primary Rate ISDN B-Channels on a billing account.
  2. A Termination Liability Charge is applicable if service is terminated prior to expiration of the contract. The applicable charge is equal to fifty percent (50%) of the monthly charges times the number of months remaining in the contract.
  3. A Termination Liability Charge shall not apply for the termination of B-Channels prior to the expiration of the contract.
  4. Only upon expiration of a CSPP contract or an existing term extension as provided in this paragraph, customers may extend their CSPP for an additional 12 months at the current published rate in the Guidebook on the date of the extension, subject to the Company's right to modify rates upon notice.<sup>1</sup> Term extensions may include associated transport rate elements as provided in A42.3.4. However, term extensions are not available for other Company provided transport facilities services being utilized to provide Primary Rate ISDN, as described in A42.3.1.E. The availability of this term extension option at any time is subject to the Company's right to discontinue or to otherwise change this option. Customers who exercise the term extension are not entitled to a different rate based on the overall term as extended. An extension will begin on the expiration date of the existing CSPP or term extension. The customer will be required to sign an addendum to their CSPP contract for each term extension. (C)  
 During the 12 month contract extension period(s), the customer may terminate the service, or any service components, at any service location on thirty (30) days' notice without incurring a Termination Liability Charge.<sup>1</sup> (C)  
 Terms outlined in the Private Line Guidebook, paragraph B2.4.9 B.2.a., disallowing any Company-initiated rate increases for the duration of either the 12-, 24- or 36-month Service Term, do not apply to 12-, 24- or 36-month Service Term extension rates. AT&T reserves the right to change 12-, 24- or 36-month Service Term extension rates (increase or decrease) at any time. Pursuant to applicable requirements, the Customer will be notified in advance of any price increases to their 12-, 24- or 36-month Service Term contract extension rates.<sup>1/1</sup>
  5. Upon expiration of the CSPP, if customer has not entered into a new CSPP contract (per Private Line Guidebook, Paragraph B2.4.9.B.7.a.(1) ), or term extension (per Paragraph 4.): (C)  
 - for customer contracts expiring prior to December 1, 2017, continue service at the Month-to-Month price then currently in effect for the Month-to-Month Payment Plan, subject to the Company's right to modify rates upon notice, or  
 - for customer contracts expiring on or after December 1, 2017, continue service at the Monthly Extension rates in effect at the time the CSPP contract expires until the customer cancels or renews the service with a new CSPP contract. Subsequently, customers under the Monthly Extension rates may convert their existing service to a 12 month CSPP at the current published rate in the Guidebook<sup>1</sup>. The customer will not be assessed any associated nonrecurring charges as long as the physical serving arrangement does not change. (C)  
 Monthly Extension rates are equal to one hundred fifty percent (150%) of the customer's expiring contractual rate subject to the Company's right to increase Monthly Extension rates at any time pursuant to notice to the customer in advance of any rate increase. (C)
  6. If Customer migrates a Primary Rate ISDN service or service component (the "Terminated ILEC Service") to a qualifying AT&T Business Voice over IP (BVoIP) Service, then AT&T will waive the Termination Liability Charge associated with the Terminated ILEC Service if: (C)  
 a. the Terminated ILEC Service has been installed at the Customer site for no fewer than 12 months, and  
 b. the replacement AT&T BVoIP Service is installed or available at the same Customer sites as the Terminated ILEC Service.  
 It is at the Company's sole determination whether a product change satisfies these requirements.
- B. Nonrecurring charges associated with the Primary Rate ISDN Access Line or Interoffice Channel facilities will not be applicable when upgrading from an existing MegaLink service to Primary Rate ISDN. A Type 1 Service Change Charge as specified in A42.3.4.G. will be applicable for the MegaLink service upgrade in addition to nonrecurring charges for other Primary Rate ISDN rate elements ordered.

**Note 1:** Effective September 30, 2024, carrier's customers may not establish new service term, variable rate periods, or term payment plans greater than 12 months for ISDN Prime, and existing term plans greater than 12 months may not be renewed or extended for a term greater than 12 months. (C)

#### B2.4.9 Optional Payment Plan

##### A. Two-Tier Pricing

An optional payment plan is applicable to certain items of equipment. The plan is described in detail in Section B4.

##### B. Channel Services Payment Plan

###### 1. General

- a. The terms and conditions specified herein are applicable to specific facilities as indicated in the appropriate sections of this Guidebook for channel services.
- b. Facilities furnished under the Channel Services Payment Plan (CSPP) are subject to all general terms and conditions applicable to the provision of service by the Company as stated elsewhere in this Guidebook except as noted herein.
- c. The CSPP is a payment plan which allows customers to pay fixed or variable rates for channel service equipment and facilities over variable contractual payment periods. A specific monthly rate applies for the duration of each period as follows or as specified otherwise in this Guidebook.
  - (1) 12 month Term Payment Plan<sup>2</sup> - payment period may be selected for 12 months in length
  - (2) 36 month Term Payment Plan<sup>1,3</sup> - payment periods may be selected from 24 months to 48 months in length, at 36 month rates and charges. (C)
  - (3) 60 month Term Payment Plan<sup>1,3</sup> - payment periods may be selected from 49 months to 72 months in length, at 60 month rates and charges. (C)
  - (4) 84 month Term Payment Plan<sup>1,3</sup> - payment periods may be selected from 73 months to 96 months in length, at 84 month rates and charges. (C)
- d. When the customer extends service beyond a 96 month service period, the 84 month Term Payment Plan (or the longest available service period) rates will apply.
- e. When the customer orders service to be provided under a CSPP arrangement, the customer must designate to the Company the payment plan and the service period desired, e.g. 84 month Term Payment Plan and 96 months.

###### 2. Application of Rates and Charges

- a. Rates stabilized under a CSPP arrangement are exempt from Company-initiated increases, however, decreases for any rate element will automatically flow through to the customer. Effective with this Guidebook, customers under a CSPP arrangement will be billed the lower of their existing CSPP rates or the current CSPP rates for their service arrangement.
- b. In the event that all or any part of a service is disconnected at customer request prior to expiration of any selected payment period of greater than one month's duration, the customer will be required to pay a termination charge as stated in that service's section of this Guidebook.

**Note 1:** The payment plan periods available may be limited based on specific underlying product restrictions described in the applicable service publication.
