A2. GENERAL TERMS AND CONDITIONS

A2.18 TDM to IP Transition

A2.18.1 General TDM to IP Transition Provisions

As a result of evolving network technology, the Company is able to offer new, advanced services. At the same time, certain older services will no longer be available in some geographic areas, as those services are no longer technically or economically feasible. Discontinued services are identified below. Wire Centers, Exchanges, and Distribution Areas by state where these services are discontinued are located at <https://cpr.att.com/pdf/cmfr/Rent%20Log%20Wire%20Centers.pdf> in Table B.
