B1. APPLICATION OF *GUIDEBOOK*

(T)

B1.1 General

- A. This *Guidebook* contains the *terms, conditions* and rates applicable to all private line services furnished by BellSouth Telecommunications, Inc., hereinafter referred to as the Company, and for private line services furnished by the Company in conjunction with another telephone company over facilities under the jurisdiction of the State of Georgia. (T)
- B. This *Guidebook* contemplates the securing of facilities and services of other telephone companies by the Company in order that the Company may furnish to the customer a private line service between specified locations. (T)
- C. The rates, *terms and conditions* contained in this *Guidebook* apply to the private line services over facilities furnished jointly by the Company and other telephone companies as if the services are furnished in their entirety by the Company except as provided in B1.D. following. (T)
- D. In those cases where the rates, *terms and conditions* of other telephone companies apply to the portion of the private line services furnished by such other telephone companies, the point of connection with the facilities of the Company is considered as a service point in determining the mileage and the rates applicable for the service furnished by the Company. In those cases where another telephone company furnishes a portion of the necessary facilities, and;
 - 1. Concur in the rates, *terms and conditions* of the Company, the rates, *terms and conditions* for the total facilities are the same as those shown for the Company in this *Guidebook*; (T)
 - 2. Applies its own rates, *terms and conditions* for its portion of the facilities, the rates, *terms and conditions* for the total facilities are a combination of the rates, *terms and conditions* of the two telephone companies. (T)
- E. This *Guidebook* also applies to private line services furnished in connection with other services furnished under the Company's General *Exchange Guidebook*. (T)
- F. When an end user certifies that an interexchange carrier (IC) is providing an intrastate, interLATA private network switching function at its terminal location for the end user, said terminal location will be considered an end user premises for the purpose of applying the rates, *terms and conditions* in this *Guidebook*. Moreover, the private line facilities between the private network switching function and the end user's other premises may be ordered by and billed to either the end user or the IC. (T)
