This notification from Illinois Bell Telephone Company (AT&T Illinois) is being made pursuant to AT&T Tariff, ILL. C. C. No. 20, Part 2, Section 8, Sheet 1.

A non-competitive resale promotional period, originally filed under Advice No. IL-07-17221P-W, and scheduled to run from July 1, 2007 through June 30, 2008, is being terminated effective October 31, 2007.

During this promotional period Carrier's business customers eligible for Charter Number Service and also retaining more than twenty-five telephone numbers received a bill credit for the telephone numbers retained in excess of twenty-five. The first twenty-five telephone numbers retained were billed at the tariffed nonrecurring Charter Number rate. The twenty-sixth and subsequent numbers received a credit of \$15.00 per telephone number retained.

Carrier's eligible customers were those business customers that were eligible for Charter Number Service and had more than twenty-five telephone numbers that they wanted to retain via Charter Number. This offer was valid for the number of telephone numbers retained per order and was not cumulative with subsequent orders.
