This notification from Illinois Bell Telephone Company (AT&T Illinois) is being made pursuant to AT&T Tariff, Ill. C. C. No. 20, Part 2, Section 8, Sheet 1.

A resale promotional period shall be established from April 1, 2008, through March 31, 2009. During this promotional period Carrier's eligible business customers subscribing to new access lines or trunks will receive a one-time credit based on the number of new lines ordered. The first line will receive a credit of \$50.00. Lines 2 through 20 will receive a credit of \$25.00 per line. Lines must be at the same location, and only the first 20 lines will qualify. In addition, waivers will be provided for the normally applicable service ordering and line connection nonrecurring charges (NRCs) associated with the installation of local exchange access lines (or trunks), up to 20 lines maximum per location. This offer is only applicable at the time of placing the initial order and is not available for subsequent orders placed for additional lines or services. The one time credit(s) will be provided within the first two bill cycles.

Carrier's eligible customers include new businesses, businesses that are currently with another carrier and are establishing service with the Carrier, or existing businesses who establish service at an additional new location. Carrier's customers must commit to a one year Welcoming Rewards Promotional Agreement in order to receive the benefits.

To qualify for the Welcoming Rewards benefits, Carrier's eligible customers must subscribe to SimpleLink Enhanced II, Custom BizSaver, or Custom BizSaver Winback. All terms and conditions applicable to SimpleLink Enhanced II, Custom BizSaver, or Custom BizSaver Winback, as appropriate, will apply. The commitment to one of the specified term plans is in addition to the one year Welcoming Rewards Promotional Agreement commitment.

Carrier's customers who disconnect their account prior to completion of the Welcoming Rewards Promotional Agreement will be billed for all upfront Welcoming Rewards promotional credits provided as described above. This charge is in addition to other charges that may be associated with a subscription to a qualifying term plan.

This offer cannot be combined with any other promotional offers waiving/crediting NRCs or that provide credits for local exchange access lines, nor with the Custom BizSaver 12-month agreement with re-subscription option geographic discount.
