Advice No.: IL-08-18558-PW

To: Illinois Commerce Commission
527 East Capitol Avenue
Springfield, Illinois 62794-9280

This notification from Illinois Bell Telephone Company (AT&T Illinois) is being made pursuant to AT&T Tariff, ILL. C. C. No. 20, Part 2, Section 8, Sheets 1.

A noncompetitive resale promotional period, originally filed under Advice Letter No. IL-07-17921, and scheduled to run from January 1, 2008 through December 31, 2008, is being terminated effective June 9, 2008. During this promotional period, Carrier's existing business customers who subscribed to a qualifying term plan during the promotional period received a waiver of normally applicable service ordering and line connection non-recurring charges (NRCs) associated with local exchange access lines or trunks for new additional access lines or trunks purchased within 90 days of the initial subscription. Additionally, applicable nonrecurring service charges associated with hunting service, custom and advanced custom calling services, and DID trunk termination were also waived when ordered in conjunction with these additional lines or trunks.

If the Carrier's customer was not on a qualifying term plan the customer must have subscribed to a qualifying term plan during the promotional period to receive the waivers. Carrier's existing customers who were currently on a qualifying term plan must have established a new agreement during the promotional period to receive the waivers. The qualifying term plans are: Custom BizSaver, SimpleLink Enhanced, SimpleLink Enhanced Winback, SimpleLink Enhanced II, and CompleteLink 2.0.

Carrier's business customers who added new additional lines/trunks to an agreement for an eligible term plan on a subsequent order for a period up to 90 days after the initial subscription had their nonrecurring service charges waived. If, after the 90 day period ends, the promotional period was still in effect (e.g., prior to December 31, 2008) the Carrier's customer could establish a new agreement and subscribe to additional lines/trunks for a period up to 90 days and have their non recurring service charges waived. The additional lines/trunks purchased were subject to the terms and conditions of the qualified plan.
