SELECT FEATURE PACKAGESM**A. Description**

Select Feature Package offers residence customers a combination of Custom Calling and Advanced Custom Calling features with a network access line and unlimited local calling at a package rate.

B. Definitions

Select Feature Package is offered to residence customers and consists of the following services:

- Residence Network Access Line
- Residence Saver Pack Unlimited
- Caller ID
- Caller ID with Name
- Call Waiting
- Three-Way Calling
- Call Forwarding
- Speed Calling 8
- Automatic Callback
- Repeat Dialing
- Call Screening

C. Terms and Conditions

1. Call Waiting, Caller ID and Caller ID with Name may be de-selected from the Select Feature Package, or re-selected at any time, with no adjustment to the package price. The Service Order Add/Change charge specified in Part 3, Section 1 will not apply to these changes.
2. Caller ID, Caller ID with Name, and Call Screening will not be included in the Select Feature Package where facilities preclude the provisioning of these features. A credit will apply to Select Feature Package when Caller ID is not included. No credit is given if the customer deselects Caller ID.
3. Reserved (C)
4. Pay per use features and their associated charges are not included in the Select Feature Package price. (D)
5. All services must be purchased on the same access line in order for the customer to be eligible for the Select Feature Package price. The package may be ordered on the customer's primary or additional line.
6. Existing residence customers who currently subscribe to all component services in the Select Feature Package may request billing at the package price. The only nonrecurring charge that would apply in this case is the Select Feature Package nonrecurring charge specified in paragraph C.13 below.

SELECT FEATURE PACKAGESM (cont'd)**C. Terms and Conditions (cont'd)**

7. Select Feature Package subscribers will benefit from the package price until they disconnect any of the required component services (i.e., all components shown in paragraph B above, with exceptions noted in this paragraph C.1, .2 and .3). If the customer disconnects any required package components, the remaining services will be billed at their individual standard Guidebook rates.
8. Discounted monthly rates for any other combinations of the services provided in the Select Feature Package on the same access line, as specified elsewhere in this Guidebook, do not apply under the Select Feature Package.
9. Select Feature Package is available to any residence customer where all the package components are available, except as specified in paragraph C.2 above.
10. Select Feature Package component services may be purchased individually at their standard Guidebook rates.
11. Select Feature Package may be included in other packages or bundles that are marketed under other names.
12. Features and services purchased in excess of those allowed in the package will be charged at their standard Guidebook rates.
13. The nonrecurring charge specified in Section D below will apply to the installation of the Select Feature Package at the time a new or existing customer subscribes to the package. The Select Feature Package nonrecurring charge will not apply if the customer selects/de-selects Call Waiting as long as the customer maintains the Select Feature package on the same line. The Select Feature Package nonrecurring charge is a line-level charge. If the customer subscribes to the Select Feature Package on an additional line, the nonrecurring charge will be applied to that line. (C)
14. The nonrecurring Service Order Add/Change charge will not apply when existing customers add or make changes to the package. Nonrecurring Service Order – Establish and Line Connection charges may apply when a new or existing customer subscribes to the Select Feature Package in concurrence with establishing a new or additional Residence Access Line.
