/1/ Effective August 1, 2013, Re-Map functionality is not available for new installations. Existing Re-Map customers will be permitted to modify their service by adding new circuits to their existing service but will not be permitted to add new nodes in new locations. New circuits added to existing locations will utilize the customer's existing Term Payment Plan (TPP) and should be coterminous with the customer's existing TPP. Upon expiration, customers may renew existing Term Payment Plans using any then-available term periods.

/2/ All term plans for OC-n Dedicated Ring Service which are established, renewed or extended after December 13, 2013, for term lengths which are scheduled to expire at any time after February 1, 2019, will instead expire on February 1, 2019. Notwithstanding anything to the contrary in the previous sentence, this footnote does not apply to any term plans established after July 15, 2017. As of December 1, 2021, Term Payment Plan terms greater than 12 months are no longer available for new or renewing subscribers.

Nonrecurring Charges for subsequent installation					
- per OC-3 to DS1 add/drop capability /NRBS6/	\$490.00				

/1/ When electrical DS3 or EC-1 drops are required, the OC-192 Optical to Electrical Add/Drop Capability Charge is applied in addition to the OC-192 Add/Drop Capability Charge preceding. When Next Generation (NG) SONET equipment is utilized, the Optical to Electrical Add/Drop Capability Charge may be needed only when the maximum number of Direct Drop ports are exceeded.

/2/ Not to exceed any configurable combination of ports beyond 192 STS-1 equivalents.

/3/ Effective August 1, 2013, Re-Map functionality is not available for new installations. Existing Re-Map customers will be permitted to modify their service by adding new circuits to their existing service but will not be permitted to add new nodes in new locations. New circuits added to existing locations will utilize the customer's existing Term Payment Plan (TPP) and should be coterminous with the customer's existing TPP. Upon expiration, customers may renew existing Term Payment Plans using any then-available term periods.

/4/ All term plans for OC-n Dedicated Ring Service which are established, renewed or extended after December 13, 2013, for term lengths which are scheduled to expire at any time after February 1, 2019, will instead expire on February 1, 2019. Notwithstanding anything to the contrary in the previous sentence, this footnote does not apply to any term plans established after July 15, 2017. As of December 1, 2021, Term Payment Plan terms greater than 12 months are no longer available for new or renewing subscribers.
