/1/ Effective December 31, 2011, the 84-month Term Payment Plan (TPP) term period is no longer available for new installations or renewals of Centrex Service. Effective September 1, 2013, the 60-month TPP term period is no longer available for new installations or renewals of Centrex Service. Centrex customers currently on a 60 month or 84-month TPP term period may continue service at their existing TPP rate until the contract term expires. Upon completion of the current contract term, customers may continue receiving the service at the then-current month-to-month rates. If the customer does not request discontinuance of the service, the month-to-month rates in effect at such time will automatically apply.
