

1. GENERAL

An application for service, whether made orally or in writing, establishes the contract between the Company and the Carrier on the terms and conditions set forth in this tariff. Neither the contract nor any rights acquired thereunder may be assigned or in any manner transferred to a third party by the Carrier, without the Company's written approval.

2. SERVICE ORDERING, LINE CONNECTION AND OTHER CHARGES

As set forth in Illinois Guidebook, Part 3, Section 1, service ordering and line connection charges will apply to both new Carrier's Customers and the switch of an existing Carrier's Customer. (T)
These charges apply in addition to any other scheduled rates and charges normally applying under this tariff. These charges also apply in addition to and not in lieu of Channel Charges, Initial Nonrecurring Charges or Construction Charges made because of unusual cost in establishing service.

2.1 SERVICE ORDERING CHARGES
