ILL. C.C. NO. 22
Part 22 Section 37

PART 22 - Resale Local Exchange Service
SECTION 37 - ISDN Services - Competitive Related

2nd Revised Sheet 1

This section sets forth the ISDN Services made available by Illinois Bell Telephone Company to Carrier for resale to its customers. General terms, conditions, service and feature descriptions as described in Illinois Guidebook, Part 20 and herein apply where appropriate, unless otherwise specified in this Part. (T)
The application thereof is to Carrier with regard to service ordering, repair requests or billing responsibility and to Carrier's Customer when designating service location, use, activation, configuration, or sizing.

1. INTEGRATED SERVICES DIGITAL NETWORK (ISDN) DIRECT SERVICE

Effective September 1, 2021, Integrated Services Digital Network (ISDN) Direct Service will no longer be available for purchase by new or existing customers. In addition, requests to move, add, change, or renew existing service arrangements will not be accepted. The Company will continue to provide existing service to existing customers until the expiration of a customer's term agreement. Following the expiration of a customer's existing term agreement, service will be provided on a month-to-month basis at the applicable Monthly Extension rates until the service is discontinued. The Company currently plans to discontinue this service on or after September 1, 2023. The Company will make customer-specific accommodations to the extent required by 220 ILCS 5/13-406.1. (N)

F. PRICES

The prices shown for Ameritech ISDN Direct are exclusive of local and toll charges and associated customer premises equipment.

Charges for other services or features normally applied on a per line basis apply on a per telephone number basis for this service.

Ameritech ISDN Direct Lines are also subject to End User Common Line (EUCL) charges. (See Other Applicable Charges and Payments.) The Carrier's customer shall be liable for all adjustments to the EUCL charge per Ameritech ISDN Direct line, per month, as authorized or mandated by the Federal Communications Commission (for by any regulatory body or commission or court of competent jurisdiction).

Charges for the loop, EUCL, usage and optional features are based upon the Carrier's customer's class of service.

Charges for usage and optional features will be applied on a per channel service capability basis.

When the Carrier's customer's premises and the central office providing Ameritech ISDN Direct are located in different Service Areas, Ameritech Base Rate charges will apply. (See Other Applicable Charges and Payments.) Carrier's customers provided this service arrangement will require three Interexchange Mileage component charges and six Channel Mileage Termination charges for each Ameritech ISDN Direct line they purchase.

In cases where the Carrier's customer's premises are in Independent Telephone Company (ITC) serving areas, the Company will assess Ameritech Base Rate Interexchange Mileage charges only to the point of meet with the ITC or intermediate ITC. Charges for ITC services will be assessed by the ITC.
