COMPLETELINK[®] 2.0 (cont'd)**E. Termination Charges and Credit Allowances (cont'd)****3. MARC Downgrade Allowance for Technology Upgrade (cont'd)**

Example (cont'd):

At the time of the new contract, the CompleteLink[®] 2.0 tariff reflects the next lower MARC to be \$14,115, so the Carrier's customer may terminate its \$19,605 MARC agreement without liability if it enters into a new 2-year (24 month) CompleteLink[®] 2.0 agreement at the \$14,115 MARC. The applicable discount will be that available with the \$14,115 commitment level.

The MARC Downgrade waiver described above only applies to the termination charges applicable to the CompleteLink[®] 2.0 agreement. Termination charges may apply on those services being disconnected, and the application of those termination charges are not affected by this waiver. All applicable recurring and non-recurring charges apply to the installation and removal of services. Products and services are subscribed to separately and not as a part of the CompleteLink[®] 2.0 subscription. As a result of selecting a reduced MARC level, discounts provided under the new CompleteLink[®] 2.0 agreement may be less than those received under the higher MARC agreement (discounts for the new agreement will be those applicable to the new MARC level under the CompleteLink[®] 2.0 guidebook in effect at the time the new contract is executed). The 90-day service guarantee described in E.2. (as specified in Illinois Guidebook, Part 4, Section 5) does not apply to the new agreement.
