To: Illinois Commerce Commission
527 East Capitol Avenue
Springfield, Illinois 62794-9280

This notification from Illinois Bell Telephone Company dba AT&T Illinois dba AT&T Wholesale is being made pursuant to Illinois Guidebook, Part 2, Section 8, Sheet 1.

A business resale promotional period will be established from July 1, 2018 through June 30, 2019. During this promotional period, the Carrier's eligible business customers may receive a net effective rate of \$5.00 per month per path for Remote Call Forwarding (RCF) service and unlimited AT&T Local Usage and AT&T Message Telecommunications Service.

Carrier's eligible customers are business customers who have their exchange access service with another carrier and who now establish their exchange access service with the Carrier utilizing the Company's resold exchange access service(s).

To qualify for this Promotion, the Call Forwarded number of the RCF service must terminate to an AT&T resold business access line (excluding 800 service lines), at the time the Carrier's customer subscribes to this Promotion. Carrier's subscribers must order RCF service within 30 days of establishing the qualifying exchange access service from the other carrier. Carrier's subscribers may have a maximum of ten RCF paths (initial/additional) per billing account participating in this discounted service, and the RCF path(s) must be located in the same state where service from the other carrier was located.

If the Carrier's subscriber with this RCF Promotion terminates Carrier's business access line and retains the Carrier's RCF, this Promotion will continue to apply until customer terminates the RCF service.

This Win/Winback Promotion cannot be combined with other RCF promotions or offers, including the existing RCF discount offer, which will still be available
