To: Illinois Commerce Commission

Springfield, Illinois 62794-9280

This notification from Illinois Bell Telephone Company, LLC dba AT&T Illinois dba AT&T Wholesale is being made pursuant to AT&T Illinois Guidebook, Part 2, Section 8, Sheet 1.

A promotional period will be established from February 12, 2020, through December 31, 2020. During this promotional period, Carrier's eligible business customers will receive a net effective rate of \$2.29 per month per path for Remote Call Forwarding (RCF) service and unlimited AT&T Local Usage and AT&T Message Telecommunications Service.

Carrier's eligible customers are business customers who have their exchange access service with another Carrier and who now establish their exchange access service with the Carrier or AT&T Business Voice over IP Service (AT&T Phone), are now requesting 1-10 business exchange access lines and/or 1-6 AT&T Phone seats, and cannot port their telephone number and require RCF to keep their existing telephone numbers at existing location

To qualify for this Promotion, the Call Forwarded number of the RCF service must terminate to a Carrier's business access line (excluding 800 service lines) or AT&T Business Voice over IP Service, at the time customer subscribes to this Promotion. Subscribers must order RCF service within 30 days of establishing the qualifying exchange access service from the other carrier. Subscribers may have a maximum of ten RCF paths (initial/additional) per billing account participating in this discounted service, and the RCF path(s) must be located in the same state where service from the other carrier was located.

If subscriber with this RCF Promotion terminates Carrier's business access line or AT&T Business Voice over IP Service and retains the Company's RCF, this Promotion will continue to apply until customer terminates the RCF service. The monthly Remote Call Forwarding rates and unlimited local or local toll usage will be discounted for each path and for each additional path.

Carrier's eligible customers will receive a waiver of the nonrecurring charges to add Remote Call Forwarding. This promotion cannot be combined with other RCF promotions or offers, including the existing RCF discount offer, which will still be available.
