/1/ This rate applies only to resale of services installed under this Payment Plan prior to April 23, 1997. Under the provisions of the Optional Payment Plan, monthly rates for services installed under this payment plan will not change as Company initiated rate changes become effective.

This rate will apply until the Carrier's customer's existing OPP term expires, the service is terminated by the Carrier's customer, or until April 22, 1998, whichever occurs first. This rate will cease to apply should the Carrier's customer initiate modifications, other than termination, which would cause a new rate or OPP term to be established.

12. EXPEDITED ORDER CHARGE

Ordering and installation of the following services can be expedited for an additional Order Charge:

- Analog Channel Services Series 1000, 2000 and 3000
- Base Rate Service
- DS1 Service^{/1/} (C)

If a Carrier's customer desires that service be provided on a due date earlier than the standard established ordering or provisioning interval, the Carrier's customer may request that service be provided on an expedited basis.

The provisioning of the expedited request is based upon available facilities and is limited to twelve (12) two-point or six (6) multi-point Analog/DS0 circuits at the same location and a limit of four (4) DS1 circuits at the same location. Expedited order requests do not apply to services that are jointly provided by AT&T Illinois and an Independent Telephone Company.

If the Company determines that service can be provided on the requested expedited date and spare facilities are available, the following charges will apply:

Description	USOC	Expedite Order Charge
