A. Description

Service Availability

Effective December 1, 2021, neither new nor existing customers will be permitted to purchase new OC-n Dedicated Ring Service ("Service"). In addition, (A) Service Term Payment Plans greater than 12-months in length will no longer be available; and (B) requests to move, add, change, upgrade or downgrade existing Service arrangements will not be accepted, with the following exceptions: (1) existing customers will be permitted to modify their existing Service and will be able to add new circuits to their existing Service, but will not be permitted to add new nodes in any locations; (2) any such new circuits will be subject to the customer's existing term payment plan or term agreement for the Service to which they are added.
