/1/ Effective August 1, 2013, Re-Map functionality is not available for new installations. Existing Carrier's Re-Map customers will be permitted to modify their service by adding new circuits to their existing service but will not be permitted to add new nodes in new locations. New circuits added to existing locations will utilize the Carrier customer's existing Term Payment Plan (TPP) and should be coterminous with the Carrier customer's existing TPP. Upon expiration, Carrier's customers may renew existing Term Payment Plans using any then-available term periods.

/2/ All term plans for OC-n Dedicated Ring Service which are established, renewed or extended after December 13, 2013, for term lengths which are scheduled to expire at any time after February 1, 2019, will instead expire on February 1, 2019. Notwithstanding anything to the contrary in the previous sentence, this footnote does not apply to any term plans established after July 15, 2017. As of December 1, 2021, Term Payment Plan terms greater than 36 months are no longer available for new or renewing subscribers.
