/1/ Effective July 1, 2002, 84-Month Term Payment Plans will no longer be available for ISDN Prime Service. Current Carrier's ISDN PRI 84-month customers may continue to retain their existing service as is at their current address until the 84-month contract term expires. Any Carrier's customer-requested changes to the existing Service will require the Carrier's customer to select a new contract term payment plan or the month-to-month option at the then current tariff rates. Ameritech will not impose termination liability to those Carriers' customers required to make a contract term change.

Upon completion of the 84-month TPP term, Carrier's customers may continue receiving the Service at the then-current rates under any available payment plan. If the Carrier's customer does not select a new payment plan and does not request discontinuance of the Service, the month-to-month tariff rates in effect at such time will automatically apply.

/2/ Effective September 30, 2024, customers may not establish new term plans greater than 12 months for ISDN Prime Service, and existing term plans greater than 12 months may not be renewed or extended for a term greater than 12 months.

/3/ Upon expiration of the TPP, if the Carrier's customer has not entered into a new TPP contract or term extension, or disconnected service, Monthly Extension rates will apply (see AT&T Illinois Guidebook, Part 17, Section 2, Paragraph F.3.b.4.(a).3). Monthly Extension rates are equal to one hundred fifty percent (150%) of the Carrier's customer's expiring contractual rate, subject to the Company's right to increase Monthly Extension rates at any time pursuant to notice to the Customer in advance of any rate increase.
