DIRECT INWARD DIALING (DID) SERVICES

This section sets forth the Central Office Services made available by Illinois Bell Telephone Company to Carrier for resale to its customer. General terms, conditions, service and feature descriptions as described in Illinois Guidebook, Part 6 and herein apply where appropriate, unless otherwise specified in this Part. The application thereof is to Carrier with regard to service ordering, repair requests or billing responsibility and to Carrier's Customer when designating service location, use, activation, configuration, or sizing.

Direct Inward Dialing (DID) To PBX Systems

(For service description, see Illinois Guidebook, Part 6, Section 1)

DID is a service which permits incoming dialed calls to be dialed directly by a calling party station associated with a switching system, resold by Carrier and located on the Carrier's Customer premises. These lines support inbound only call traffic.
