^{/1/} Effective July 1, 2002, 84-Month Term Payment Plans will no longer be available for ISDN Direct Service. Current Carrier's ISDN Direct 84-month customers may continue to retain their existing service as is at their current address until the 84-month contract term expires. Any Carrier's customer requested changes to the existing Service will require the Carrier's customer to select a new contract term payment plan or the month-to-month option at the then current tariff rates. Ameritech will not impose termination liability to those Carriers' customers required to make a contract term change. Upon completion of the 84-month TPP term, Carrier's customers may continue receiving the Service at the then-current rates under any available payment plan. If the Carrier's customer does not select a new payment plan and does not request discontinuance of the Service, the month-to-month tariff rates in effect at such time will automatically apply.
