This section sets forth the Local Exchange Services made available by Illinois Bell Telephone Company to Carrier for resale to its customers. General terms, conditions, service and feature descriptions as described in Illinois Guidebook, Part 4 and herein apply where appropriate, unless otherwise specified in this Part. The application thereof is to Carrier with regard to service ordering, repair requests or billing responsibility and to Carrier's Customer when designating service location, use, activation, configuration, or sizing.

1. NETWORK ACCESS LINES

Except as otherwise indicated for Wire Centers in Illinois Guidebook Part 2, Section 2, effective October 15, 2025, Business Network Access Lines and Trunks will no longer be available for purchase by new or existing customers. In addition, requests to move, add, change, or renew existing service arrangements will not be accepted. Following the expiration of a customer's existing term agreement, service will be provided on a month-to-month basis at the applicable Monthly rates until the service is discontinued.

(N)

Except as otherwise indicated for Wire Centers in this Illinois Guidebook Part 2, Section 2, effective October 15, 2025, Residential Exchange Access Lines and Trunks will no longer be available for purchase by new or existing customers. In addition, requests to move, add, change, or renew existing service arrangements will not be accepted.

(N)

(For service description, see Illinois Guidebook, Part 4, Section 2.)

The connecting facility between a Carrier's Customer's premises and a serving central office providing Carrier's Customers access to the dial network for placing and receiving calls. Prices are determined by the access area.

1. CENTREX SERVICE

Except as otherwise indicate for Wire Centers in Illinois Guidebook Part 2, Section 2, effective October 15, 2025, Centrex Services will no longer be available for purchase by new or existing customers. In addition, requests to move, add, change, or renew existing service arrangements will not be accepted. Following the expiration of a customer's existing term agreement, service will be provided on a month-to-month basis at the applicable Monthly rates until the service is discontinued. (N)

Effective September 30, 2024, customer may not establish new term plans greater than 12 months for Centrex service, and existing term plans greater than 12 months may not be renewed or extended for a term greater than 12 months. Effective September 1, 2025, upon expiration of an existing Term Payment Plan (TPP), Centrex Service will continue at the 12-month TPP rates in effect at expiration, subject to the Company's right, on 30 days' prior notice to customer to modify the applicable rates and terms. (N)

This section sets forth Centrex Services made available by Illinois Bell Telephone Company to Carrier for resale to its customers. General terms, conditions, service and feature descriptions as described in Illinois Guidebook, Part 5, Section 2 and Part 7, Section 5 apply where appropriate, unless otherwise specified in this Part.

The application thereof is to Carrier with regard to service ordering repair requests or billing responsibility and to Carrier's Customer when designating service location, use, activation, configuration, or sizing.

DIRECT INWARD DIALING (DID) SERVICES

Except as otherwise indicated for Wire Centers in Illinois Guidebook Part 2, Section 2, effective October 15, 2025, Central Office Services will no longer be available for purchase by new or existing customers. In addition, requests to move, add, change, or renew existing service arrangements will not be accepted. Following the expiration of a customer's existing term agreement, service will be provided on a month-to-month basis at the applicable Monthly rates until the service is discontinued.

(N)
|
(N)

This section sets forth Centrex Services made available by Illinois Bell Telephone Company to Carrier for resale to its customers. General terms, conditions, service and feature descriptions as described in Illinois Guidebook, Part 5, Section 1 and Part 6, Section 3 apply where appropriate, unless otherwise specified in this Part.

The application thereof is to Carrier with regard to service ordering repair requests or billing responsibility and to Carrier's Customer when designating service location, use, activation, configuration, or sizing.

A. Description

(For service description, see Illinois Guidebook, Part 5, Section 1)

Centrex Service is a local exchange telecommunications service, provided by a telecommunications system located in a telephone company central office, which controls the switching of:

- Calls from the exchange network to the Centrex lines,
- Calls from the Centrex lines to the exchange network,
- Intercommunicating calls between Centrex lines.

B. Definitions

Addition

Provision of supplementary service to a Carrier's system installed for resale to its customers up to the capacity of the system.

Downgrade

Enumerated changes to an installed system generally resulting in a decrease in capacity, capability and/or lower monthly charge.

PART 22 - Resale Local Exchange Service
SECTION 29 - Message Toll Services - Competitive Related

16th Revised Sheet 1

1. MESSAGE TELECOMMUNICATIONS SERVICES AND RATE SCHEDULES

Except as otherwise indicated for Wire Centers in Illinois Guidebook Part 2, Section 2, effective October 15, 2025, Message Telecommunications Services will no longer be available for purchase by new or existing customers. In addition, requests to move, add, change, or renew existing service arrangements will not be accepted. Following the expiration of a customer's existing term agreement, service will be provided on a month-to-month basis at the applicable Monthly rates until the service is discontinued.

(N)

(N)

This section sets forth the Message Toll Services made available by Illinois Bell Telephone Company to Carrier for resale to its customer. General terms, conditions, service and feature descriptions as described in Illinois Guidebook, Part 9, and herein apply where appropriate, unless otherwise specified in this Part. The application thereof is to Carrier with regard to service ordering, repair requests or billing responsibility and to Carrier's Customer when designating service location, use, activation, configuration, or sizing.

(For service description, see Illinois Guidebook, Part 9, Section 1)
