13.3 EASY ACCESS DIALING(1)

A. Easy Access Dialing Change Charge (13.4.3(A))*

LPIC Change Charges as following.

A nonrecurring charge to process a change in Presubscription is bifurcated into two (2) separate nonrecurring charges and applies as follows:

- (a) A nonrecurring charge applies when the request to change Presubscription is submitted through mechanized methods.
- (b) A nonrecurring charge applies when the request to change Presubscription is submitted through manual methods.

As used above, manual methods are (i) personal interaction between a customer, or a person acting on behalf of a customer, and a Telephone Company employee; and (ii) any written submission from a customer, or a person acting on behalf of a customer, to a Telephone Company service center. Mechanized methods shall include all other methods. If a request utilizing a mechanized method results in manual processing, the mechanized nonrecurring charge shall apply upon completion of the request.
