**B. Terms and Conditions (cont'd)**

- 10. A customer may subscribe to multiple agreements for AT&T Business Local Calling at the same time, but a telephone number may only be included under one agreement.
- 11. There is no nonrecurring service charge or set-up charge to establish an AT&T Business Local Calling account.
- 12. Service Ordering and Line Connection nonrecurring charges (NRCs) associated with the establishment of all local exchange access lines that are subscribed to AT&T Business Local Calling, as well NRCs, if applicable, associated with vertical features ordered at the time of initial subscription to AT&T Business Local Calling may apply. Service charges associated with changing to/from hunting service, if applicable, will also apply. Standard NRCs will apply to stand alone features added to an existing AT&T Business Local Calling account when such features are added subsequent to the initial subscription.
- 13. Customer may purchase Business Local Calling package for a 12-month term via a written or oral agreement. The agreement will automatically renew in successive 12-month terms unless, prior to expiration of the then-existing term, either party (Customer or Company) provides the other 30-days written notice that it does not wish to renew the agreement. Absent such notification, upon renewal a new 12-month term commences at the rates for 12-month term then in effect in *F. Prices* on the date of renewal, subject to Company-initiated rate adjustment.<sup>/1/</sup>

When Business Local Calling 1-19 line package is purchased as part of a Bundle Offer (i.e. an offer for the purchase of multiple AT&T services at a discount), the customer agrees to maintain the Bundle Offer for the applicable term. The price of the Business Local Calling service portion of the Bundle is valid until one of the following events occurs, at which time the price will increase: (1) the term of the Bundle Offer expires; (2) customer changes the Business Local Calling service address; or (3) customer drops one of the AT&T services in the Bundle Offer. If the customer is no longer eligible for the Bundle Offer price for the reasons described above, but has time remaining on the Bundle Offer term, the price for the Business Local Calling service will increase to the then-existing 12-month term price.

- 14. Applicable local, state, and federal charges, taxes, 911 fees, and the End User Common Line charge are in addition to the line option prices listed in *F. Prices* following.

/1/ Effective June 12, 2024, Business Local Calling term plans of any length will automatically renew as described in B.13 above.

**AT&T BUSINESS LOCAL CALLING (BLC) (cont'd)****D. Termination Liability and Shortfall**

1. Except as provided for elsewhere in this Guidebook, customers who terminate their entire AT&T Business Local Calling account prior to completion of the selected term period are subject to termination charges. Termination charges are equal to \$15.00 times the number of months remaining on the term commitment times the number of lines subscribed to on the initial order.
2. Termination charges are not applicable if, during the term period:
  - a. the customer converts to another Company access and local usage plan with a term equal to or greater than the time remaining on the AT&T Business Local Calling term plan; or (C)
  - b. the customer converts to an upgraded technology with the Company (e.g., network access lines to PBX Trunks, Centrex, ISDN Prime) and commits to a term equal to or greater than the time remaining on the AT&T Business Local Calling term plan. It is at the Company's sole determination whether a product change satisfies the requirements for waiver of the termination liability under this clause; or
  - c. the customer chooses to terminate their agreement and to negotiate a new AT&T Business Local Calling agreement with a term period greater than the time remaining on the existing AT&T Business Local Calling agreement. The new service agreement will be based on the term plan rates in effect at the time of establishing the new agreement. For 20+ line agreements established on or after October 26, 2012 the customer must also establish a new line commitment at least as great as in their initial subscription in order to qualify.
  - d. If during the Term, an AT&T ILEC Service (referred to as the "Terminated ILEC Service") provided under a Business Local Calling Agreement is migrated to a qualifying AT&T Business Voice over IP (BVoIP) Service or to a qualifying AT&T Mobility Service (referred to collectively as the "Replacement Service"), then the Early Termination Charge associated with the Terminated ILEC Service will be waived provided:

    2. the term of the Replacement Service agreement is equal to or greater than the remaining term for the Terminated ILEC Service;
    3. the Replacement Service is installed or available at the same Customer sites as the Terminated ILEC Service;
    4. the Replacement Service is contracted for in the same relative quantity(ies) as those Terminated ILEC Services being displaced, and
    5. activation of the Replacement Service at the Customer sites or for Customer use at such Customer Sites occurs within 90 days of termination of the ILEC Service at that site.It is at the Company's sole determination whether a product change satisfies these requirements.
3. For customers who initially subscribe to 20+ lines: in any month during the term of an AT&T Business Local Calling agreement if the customer's total number of subscribed lines falls below 80% of the number of lines subscribed to on the agreement, then a shortfall adjustment charge will be applicable and will appear on the customer's bill for each of those months. This shortfall adjustment charge is equal to \$10.00 times the number of lines below the 80% requirement.
