Customers may also subscribe to AT&T Business Local Calling on a Month-to-Month basis at prices as shown in A3.47.6. Effective July 1, 2013, eligible customers may also subscribe to a 6-Month term as defined in A3.47.2.T. (T)
- B. AT&T Business Local Calling is not available on Foreign Exchange Service, WATS access lines, PBX Trunks, Centrex, ISDN, PRI, 800/900 Service, Hot Line, Warm Line<sup>1</sup>, or Coin Services. (C)
- C. AT&T Business Local Calling is only available where facilities and equipment permit.

- F. An AT&T Business Local Calling plan is not transferable to, nor may it be assumed by, a customer or customers other than the customer of record.
- G. Volume Price Level rates as listed in A3.47.6 will apply for the life of the term plan based on the number of lines subscribed to on the initial order.
- H. AT&T Business Local Calling line option packages contain certain core components as well as a variety of optional components. Optional components are included in the AT&T Business Local Calling line option prices and are activated at the customer's discretion. There is no reduction in price for any optional feature not activated. Optional features selected for activation by the customer are provided on a per line basis. Core components are not optional and cannot be removed from the package.

Service charges associated with changing to/from hunting service, if applicable, will also be waived for AT&T Business Local Calling customers. Standard NRCs will apply to standalone features added to an existing AT&T Business Local Calling account when such features are added subsequent to the initial subscription. This waiver of NRCs is not applicable for customers subscribing to a Month-to-Month plan or to the 6-Month term with option to re-subscribe, or when moving or transferring their telephone service as described in A3.47.2.Q. (T)
- M. The 12-month term is also available as a 12-month oral agreement with option to re-subscribe. A maximum of two 12-month renewals are available after the first 12-month term. The customer will receive written notification of their selection outlining the details of the agreement, plus subsequent notifications regarding their re-subscription options prior to the expiration of each 12-month term. The customer is under no obligation to re-subscribe after completion of a 12-month term period. Customers will be provided the rates established in the first 12-month term for both successive 12-month terms.
