A2. GENERAL REGULATIONS

A2.4 Payment Arrangements And Credit Allowances (Cont'd)

A2.4.3 Payment For Service (Cont'd)

H. A late payment charge of \$6.50 will apply to each residence subscriber's bill (including amounts billed in accordance with Billing and Collection Services) when any undisputed portion of a previous month's bill has not been paid in full prior to the next billing date. A late payment charge of \$15.00 and an interest charge of 1.50 percent of the unpaid balance will apply to each business subscriber's bill with a balance greater than \$6.00 (including amounts billed in accordance with Billing and Collection Services) when any undisputed portion of a previous month's bill has not been paid in full prior to the next billing date. The 1.50 percent interest charge is applied to all new charges on a subscriber's previous month's bill which were not paid prior to the next billing date. State Agencies subject to KRS 45.454 shall be assessed late payment charges in accordance with that statute. Additional penalty charges shall not be assessed on unpaid penalty charges. Federal Government customers are exempt from late payment and/or interest charges.

I. Residence subscribers with overdue bill balances for their existing service, which has been temporarily suspended for nonpayment, who are unable to pay the charges in full may be allowed to retain their local service if they elect to have a full toll restriction placed on their existing service, at no charge, until the charges are paid. These subscribers may arrange to pay the outstanding balance in up to twelve (12) monthly installment payments. An Installment Billing Service Fee may apply as specified in Section A4.

J. Miscellaneous Fees Associated With Payments

1. Payment Convenience Fee for Payment Made Via Telephone Call

A fee will apply for each instance of payment of outstanding charges when authorized by the subscriber by telephone (whether such telephone call was initiated by the subscriber or by the Company) and when the method of payment would allow the payment to be immediately credited to the subscriber's account, such as payment via an electronic check (eCheck) or any other discretionary type payment that may be accepted by the Company through such telephone contacts. This fee will not apply for payments taken directly by subscribers to authorized Company payment locations, payments mailed in, automatic funds transfers, payments through the Company Internet website (www.bellsouth.com or www.att.com), and other conventional methods of payments. The subscriber would be informed of any applicable charges prior to processing the subscriber's request.

A7.4.7 Payphone Service Provider Inmate Calling Service (PSPICS) (Cont'd)

- C. In lieu of Access Line Service for PSPs as described elsewhere in A7.4, CPE stations subscribing to PSPICS are provisioned by the customer as follows:
 - 1. May be arranged for outward only calling.
 - 2. May be arranged to terminate calls after a certain amount of conversation time, or in cases of emergency in accordance with any Rules and Regulations of the Commission and upon notification to the Company of such an arrangement. The Company will not provide credit or equivalent service to the called or calling parties for such calls.
 - 3. Shall be arranged to block Directory Assistance calls.
 - 4. Unrestricted pay telephone service may be provided at the administrator's request in a fully supervised location.
 - 5. Except as provided following, shall be arranged to allow only 0+ collect calls for local, intraLATA, and interLATA calls and to block all other calling including, but not limited to, local direct, third number, 1+ sent-paid, 0+ sent-paid, 0-sent-paid, all 0-, 700, 800, 900, 976, 950, 911, and 101XXXX. Where, however, the customer-provided stations can block additional digit dialing after initial call set-up, 1+ long distance and seven digit local calling may be permitted. (D)
 - 6. May be arranged for seven digit sent-paid local calling and for 0+ collect calling for intraLATA, and interLATA calling.
 - 7. May be arranged to limit individual inmate calls to approved telephone numbers.
 - 8. May be arranged to block access to certain telephone numbers.
 - 9. At the request of the facility administrator, call detail information, such as date and time of call, duration of calls, and called and calling telephone numbers, may be furnished to the facility where prison authorities stipulate such information appropriate in preventing or identifying abuse or unlawful use of service and where the prison authorities stipulate that the provision of such information is not in violation of any federal, state or local laws, regulations or orders.
 - 10. At the request of the facility administrator inmate service located at correctional or mental health facilities, may be provided with automated collect service for local, intraLATA and interLATA calls. (D)
- D. Rates and charges for access line service for PSPICS are provided in A7.4.5 of this Tariff. At the request of the facility administrator, blocking of equal access calls (101XXXX) may be provided on telephones for exclusive use of inmates at the rate following.
 - (1) Blocking of equal access call (101XXXX) from completion

(a) Per line	Rate	USOC

Optional telephone features are non-basic telecommunication services and exempt from action or review by the Kentucky Public Service Commission as set forth in KRS 278.541 and KRS 278.544. This page is filed with the Commission pursuant to KRS 278.544(2).

A13.9 Custom Calling Services (Cont'd)

A13.9.2 Provision Of Service

- A. The services are limited to those areas served by central offices arranged for Custom Calling Services. Call Forwarding feature enhancements, Usage Sensitive Three-Way Calling and the cancel feature for Call Waiting are available only in central offices where the capability exists and has been implemented.
- B. The services are furnished only in connection with individual line service. The service is not available in connection with Centrex Type Services, Prestige Communications Service, Prestige Deluxe service private branch exchange or coin telephone service.
- C. In addition to the "Monthly Rate" following, for calls forwarded outside the Local Calling Area on a toll network, the Call Forwarding customer is responsible for the applicable toll charges specified in this Tariff or any other applicable tariff for the duration of each call answered, even though such calls might not be accepted at the answering location after their charge conditions are explained. For calls forwarded inside the Local Calling Area, a measured or message rate service Call Forwarding customer is responsible for the applicable customer-dialed measured or message rate service charges specified in this Tariff, as appropriate, for each call answered at the answering location. In all cases, the charge for that portion of a subject call between the originating station line and the call forwarding location shall be the charge specified in this Tariff or any other applicable tariff for the type of call involved, either local or toll, for the entire duration of the call, but measured only the distance to the call forwarding location. This portion of the call may be billed to the originating station line, third number, collect or any other special identification number, if appropriate for the type of call involved. (D)
- D. Call Forwarding On PBX Trunks
Call Forwarding is offered for use with PBX trunks subject to the following limitations:
 1. It may be provided only when compatible with the equipment configuration at the customer's premises.
 2. It is available only on two-way trunks.
 3. It is not available with Direct Inward Dialing trunks.
 4. If the feature is proposed on a facility on which hunting is also to be provided, this service is available only with Multi-Line and Series Completion hunting arrangements and is subject to the limitations of these arrangements.
 5. When calls are being forwarded intra-office, the number of calls that can be forwarded simultaneously is equal to the number of trunks in the customer's system that are arranged to receive calls and are equipped to provide the Call Forwarding feature.

A13.20 Call Screening And Restriction Services - Customized Code Restriction (CCR)

A13.20.1 General

Customized Code Restriction is a service which enables customers to restrict certain types of outgoing calls from being placed over their exchange lines/trunks. This capability is provided only by means of recorded announcement restriction. It is offered with options containing various sets of codes to be restricted, and is available to basic exchange customers with individual line residence or business service or PBX trunks in either flat, message or measured rate service environments.

A13.20.2 Regulations

- A. Customers may subscribe to whichever option meets their needs, but only one option may be provided on a line/trunk or group of lines/trunks. Also, options of this service may not be combined with Selective Class of Call Screening in A13.12 preceding or Toll Trunks specified in A13.14 preceding. These regulations do not apply to Option #5 which may be provided with other CCR Options.
- B. CCR is furnished only from central offices equipped to provide this service and where facilities permit.
- C. When CCR is provided from central offices other than the customer's normal serving central office, Foreign Central Office or Foreign Exchange charges as specified in Section A9, whichever is appropriate, will apply to all lines/trunks equipped with this service.
- D. CCR does not provide restriction of non-chargeable calls to Company numbers, such as repair service, public emergency service numbers (911), or toll free 1+8XX calling. (D)
- E. Subscribing to CCR does not relieve customers of responsibility for calls charged to their numbers.
- F. It is the responsibility of the customer to notify all users of their service that an operator cannot be reached.
- G. The Company shall not be liable to any person for damages of any nature or kind arising out of, or resulting from, or in connection with the provision of this service, including without limitation, the inability of station users to access the operator for any purpose, or any other restricted codes.
- H. Residence customers who subscribe to any of the Area Plus services may restrict 1+InterLATA calls while allowing 1+IntraLATA calls to be completed by subscribing to CCR Option #7.
- I. CCR - Options
The codes shown for CCR options are not to be considered all inclusive. Codes may be changed and new or different codes may be added as deemed appropriate by the Company.
 1. Option #1 Restricted Codes

A18. LONG DISTANCE MESSAGE TELECOMMUNICATIONS SERVICE

MTS rates, terms and conditions herein are modified and remain in place only to apply to end users located in Independent Company exchanges as identified in *the Company's* General Subscriber Services Tariff A.3.6.2. MTS rates, terms and conditions for customers within the *AT&T Kentucky* service area are found at www.att.com/agreement. (T)

A18.1 Application

This Tariff applies to Long Distance Message Telecommunications Service (MTS) furnished or made available by the Company and its connecting companies between points within the state of Kentucky, and within the same LATA where the respective rate centers of such points also are located in said state and the same LATA.

A18.2 General

- A. Long Distance Message Telecommunications Service is that of furnishing facilities for communications between stations in different rate centers for either two-point or conference service.
- B. Rates for service between points are based on airline mileage between rate centers. In general, each point is designated as a rate center except that certain small towns or communities are assigned adjacent rate centers with which they are closely associated for communication purposes or by community of interest. Airline mileages between rate centers are determined as provided in A18.5.
- C. Long Distance MTS is provided for use by the customer and may be used by others when so authorized by the customer. Use of the service is subject to regulations in Section A2., with the exception of A2.2.1.A and A2.2.1.B, which restrict the use of service and prohibit payment to the customer by another for use of the service and which remain applicable to Rates for Hearing or Speech Impaired Customers as described in A18.3.1.G.

A18.3 Two-Point Service

A18.3.1 Service Between Land Wire Telephones

A. Classes of Service

Service is offered on a Station-to-Station basis, as either Dial or Operator, or on a Person-to-Person basis. These five classes of calls are defined in Section A1., Definition of Terms, under "Long Distance Message Telecommunications Services". (D)

B. Rates and Charges

1. Residence

- a. Charges for each Long Distance MTS message between any two points within the state and within the same LATA and originated from a residence class of service are determined as follows:
 - (1) All messages are rated in full minute increments. Initial and additional minute basic rates are specified in the Basic Rate Schedule following. Initial minute rates are for connections of one minute or any fraction thereof. Additional minute rates are for each additional minute or any fraction thereof that the connection continues beyond the first minute.
 - (2) For any Operator-Assisted Operator Station, or Person-to-Person message, the surcharge specified in A18.3.1.B.3 is added to the Basic Rate Schedule charge. (D)
 - (3) All real-time rated calls are rounded and rated in whole minutes. Real-time rated calls are calls that require quotation of charges before or after a call is completed (1+ Hotel or Time and Charges).

b. Basic Rate Schedule

- (1) The following table contains the initial minute and additional minute rates for all call classes. These rates are based on chargeable time (duration) of the message, as specified in A18.3.1.C, and the airline mileage between the rate centers of the two stations connected, as specified in A18.5.

3. Billing and Operator Surcharges

a. For any message in the call classes listed following, add the surcharge shown following to the Basic Rate Schedule charge for that message. Reductions do not apply to the surcharges.

(1) Billing Surcharges

	Charge Per Call	USOC	
(a) (DELETED)			(D)
(b) (DELETED)			(D)
(c) Station-to-Station operator assisted sent paid, collect, <i>and</i> third number calls, each	\$1.00	NA	(D)
(d) Person-to-Person operator assisted calls, each	5.00	NA	
(2) Operator Dialed Surcharge ¹			
(a) Station-to-Station operator assisted or Person-to-Person operator assisted calls where the operator dials the terminating number, each	1.00	NA	(D)
(3) Partially Automated Surcharge ²			
(a) Station-to-Station operator assisted where the customer dials the terminating number and elects to have the operator handle the billing, each	1.00	NA	(D)

C. Timing of Messages

1. The time observed at the rate center of the calling station applies, whether the call is originated as sent-paid or collect.
2. On Station-to-Station calls, chargeable time begins when connection is established between the calling station and the called station, Miscellaneous Common Carrier, mobile radio system, or PBX system.
3. On Person-to-Person calls, chargeable time begins when connection is established between the calling person and the particular person or station specified or an agreed alternate.
4. Chargeable time ends when the calling station "hangs up" thereby releasing the network connection. If the called station "hangs up" but the calling station does not, chargeable time ends when the network connection is released either by automatic timing equipment in the telephone network or by the Company operator.
5. Chargeable time does not include time lost because of faults or defects in the service.

Note 1: An Operator Dialed surcharge is in addition to any applicable Billing Surcharge.

Note 2: A Partially Automated Surcharge is in addition to any applicable Billing Surcharge.

F. Rates Applicable on Certain Holidays

On Christmas Day (December 25), New Year's Day (January 1), Independence Day (July 4), Thanksgiving Day and Labor Day, the holiday rate applicable is the off-peak rate.

G. Rates for Hearing or Speech Impaired Customers

1. Rates for certain MTS calls are reduced for hearing and/or speech impaired customers who meet requirements a. through d., following:
 - a. The customer is certified to the Company as having a hearing or speech impairment that prevents telephone voice communication.
 - b. The customer has non-voice equipment used for telecommunications.
 - c. The customer makes written application to the Company for the reduced rates.
 - d. The customer designates to the Company one and only one telephone number associated with that customer's residence service. Reduced rates apply only to calls originated from this telephone number.
2. Rates for certain MTS calls are reduced for an agency that assists hearing or speech impaired persons under the following conditions:
 - a. The agency provides non-voice telecommunications equipment solely for the use of hearing or speech impaired persons.
 - b. The agency makes written application to the Company for the reduced MTS rates.
 - c. The agency designates to the Company one and only one local exchange telephone number associated with each piece of non-voice telecommunications equipment. Each such number may be used only for calls through the non-voice telecommunications equipment. Reduced rates apply only to calls originated from such designated telephone numbers.
3. All Dial Station-to-Station (DDD) calls originated from the designated telephone number will be discounted at 25% off the total Basic Rate Schedule charge. When application of the discount results in a fractional charge, the amount will be rounded down to the lower cent.

A18.3.2 Service Through Mobile Telephone Service Base Stations

A. General

1. The regulations and rates set forth following apply for Long Distance Message Mobile Telephone Service furnished through the mobile telephone service base stations specified in Section A17 of this Tariff. Such service is in addition to that offered in Section A17, Mobile Telephone Service.
2. Long Distance Message Mobile Telephone Service is a communication service through a base station between a mobile unit and a land wire telephone located outside the mobile service area associated with such base station, or between two mobile units served through different base stations having different rate centers.

However, a minimum initial service period may apply for DS1 services, as specified in Section B7. of the Private Line *Guidebook* for MegaLink, MegaLink Light or LightGate service. (T)
4. Directory listings for MSP's are provided in accordance with regulations and rates found in Section A6.
5. Clients of the MSP may be provided directory listings as specified in A6.6.2 Business Additional Listing.
6. Charges for Operator Assisted Local Call Service, and Local Operator Verification/Interruption Service as defined in Section A3. of this Tariff are applicable and will be individually itemized on the MSP's bill. (D)
7. Charges for IntraLATA Long Distance Operator Verification/Interruption Service as defined in Section A18. of this Tariff are applicable and will be individually itemized on the MSP's bill.
8. When the MSP wants to prohibit third number and collect calls to mobile numbers, Billed Number Screening is available upon request. Certain calls cannot be screened, including but not limited to calls handled by independent Company (ICO) operators, Maritime, Air-to-Ground, and International calls, or calls handled by companies that do not subscribe to the data base where toll billing exception data is stored. The MSP is, however, responsible for the charges for these calls.
9. The appropriate service charges in Section A4 apply to the establishment and rearrangement of service provided under this section. In addition, the nonrecurring charges specified in A35.1.6 shall apply for connection of service or rearrangement.
