KY-17-0012 EFFECTIVE: January 1, 2017

A13. MISCELLANEOUS SERVICE ARRANGEMENTS

A13.34 RingMaster Service (Cont'd)

A13.34.2 Terms and Conditions

- **A.** This service is available to individual line residence and business customers.
- **B.** The service is not compatible with PBX trunk service, obsolete Prestige service, Personal Paging service, customer provided public telephone service, lines equipped with multi-line hunting arrangements or foreign exchange service. RingMaster service may not be compatible with all types of customer provided telephone equipment, customer premises switching or key equipment. For BellSouth Centrex RingMaster, see A12.25.
- C. RingMaster service is provided subject to the availability of facilities. Additionally, RingMaster II service may not be available in all central offices equipped to provide RingMaster I service.
- D. RingMaster service subscribers will be entitled to one white page listing with each RingMaster service number. Listings for RingMaster service are subject to Terms and Conditions specified in A6 for directory listings. Other listings will also be provided under the Terms and Conditions described in Section A6.
- E. All telephone numbers associated with a line equipped with RingMaster service must originate from the same central office switching machine.
- **F.** When establishing RingMaster service, Call Forwarding service subscribers must choose one of the following options. When Call Forwarding service is activated:
 - 1. All numbers associated with one line will be forwarded to a single number when Call Forwarding service is activated.
 - 2. The main number only will be forwarded when Call Forwarding service is activated. The additional RingMaster service numbers will continue to ring and may be answered at the subscriber's premises.
- **G.** The Secondary Service Charge will apply when changing from one option to the other subsequent to the establishment of RingMaster service. The Line Charge is applicable to changes in RingMaster service numbers.
- H. RingMaster Service can be suspended as specified in A2.3. During the period of suspension, no recurring charge applies.
