E2. GENERAL REGULATIONS

E2.12 TDM to IP Transition

(N)

E2.12.1 General TDM to IP Transition Provisions

(N)

As a result of evolving network technology, the Telephone Company is able to offer new, advanced services. At the same time, certain older services will no longer be available in some geographic areas, as those services are no longer technically or economically feasible. The table below identifies services that have been withdrawn, by wire center and exchange, along with additional information related to these service withdrawals.
