### **A40.10 Fast Packet Services Payment Plan (Cont'd)**

#### **A40.10.10 Exception to Termination Liability for State, County, and Municipal Governments**

- A. In the event that all or any part of the service is disconnected at customer request prior to expiration of any selected payment period of greater than one month's duration, the customer will be required to pay a termination charge as stated in this Guidebook. The Guidebook provisions concerning termination liability for recurring charges only shall not be applicable to any state, county, or municipal governmental entity when there is in effect, as a result of action by such entity and through a duly constituted legislative, administrative, or executive body:
1. a statute;
  2. an ordinance;
  3. a policy directive;
  4. a constitutional provision which restricts or prohibits an additional contractual payment for early termination of a contract by any such entity, or agency thereof, due to an unavailability of funding. When service is being provided and funding to the governmental entity for such service becomes unavailable, the governmental entity may cancel the service without additional payment obligation. Provided, however, that if the governmental entity cancels the service for any reason other than the unavailability of funds, the termination liability provisions in the Guidebook shall apply.

#### **A40.10.11 Moves of Service(s) Under Fast Packet SPP**

- A. Termination Liability Charges will not apply to customer requests for moves of service under Fast Packet SPP from one location to another location subject to the following:

  2. The move from the original location to the new location must be completed within thirty days of the original premises disconnect date.
  3. No lapse in billing will occur for moves of service under Fast Packet SPP.
  4. Orders to disconnect the existing service and re-establish it at the new location must be related.
  5. Any rate elements - such as, Ports - from the original location that are not re-established at the new location will be subject to applicable Termination Liability Charges.
  6. Any additions made at the new location will be treated as coterminous additions in accordance with A40.10.3.
  7. All Terms, Conditions and Charges for changes made to the service coincident to that move shall apply.
  8. All appropriate nonrecurring charges for moves of service as specified in this Guidebook will apply.
  9. Moves of service that involve a change of jurisdiction, e.g., intraLATA to intrastate, intrastate to interstate, etc., will not be treated as a disconnect of service with regard to Termination Liability Charge application. The customer must subscribe to a payment arrangement offered in the appropriate interstate tariff which is at least the minimum number of months allowable under Term Payment Plan A (as defined in the Fast Packet Transport Service's specific Guidebook section) or equals/exceed the remaining contract period, whichever is greater.
