Obsoleted June 1, 2021; Type D. Beginning June 1, 2021, new orders for this service will no longer be accepted. Current subscribers may keep their service at its existing location. The Company currently plans to discontinue this service on or after June 1, 2025.

(N)

**A107.4.1 Definition And Requirements**

(T)(O)

A. Access line service for Payphone Service Provider (PSP) Telephones is an exchange line service provided at the request of a subscriber for telecommunication use by the general public. Exceptions to this service pertaining to inmates served within the confines of penal, correctional or mental institutions is provided in A107.4.7.

(T)(O)

1. This access line service is provided on a flat rate basis in wire centers noted in A107.4.2, Availability.
2. This access line service is provided for use with PSP non coin-operated public telephones or PSP coin-operated public telephones. PSP telephones that accept coins shall accept coins of various denominations and shall be capable of returning unused coins.
3. Completion of local messages is provided by the Company.
4. The subscriber shall be responsible for the installation, maintenance and operation of PSP telephones used in connection with this service.
5. PSP telephones must be connected to the Company network in compliance with Part 68 of the F.C.C. Rules and Regulations.
6. The service is furnished subject to the condition that all applicable regulations in Section A2 will be adhered to, with the exception of A2.2.1a and b, which restrict the use of service and prohibit payment to the customer by another for use of the service.
7. The service is provided for use by the subscriber but may be used by others when so authorized by the subscriber, provided that all such usage is subject to the provisions of this Guidebook.
8. This service is not subject to concessions.
9. Suspension of service, as covered in A2.3, is not available to Access Line Service for PSPs, unless the instrument is total inaccessible to the general public on a temporary basis. In all cases, the decision to permit temporary suspension of service for Access Line Service for PSPs rests with the Company. If the service is suspended, it will be at full rate.
10. Access line service for PSP telephones cannot be included on account containing other classes of service. A separate account is required for this offering at each location.
11. This access line includes an optional screening feature to prevent third number<sup>1</sup> and collect calls<sup>1</sup> from being billed to the subscriber's line. The operator also cannot perform coin collecting functions.
12. With the exception of Coin Refund and Repair Referral Service (CRS) provided in A7.10, the Company is not responsible for refunds of coins deposited in PSP coin-operated public telephones.
13. PSP telephones may not be attached to other types of access lines.
14. The subscriber to this service will be responsible for any and all toll charges billed to the subscriber's account.
15. The instrument must display information on the name, address, and telephone number of the person or entity responsible for the pay phone where callers can obtain assistance when problems occur with pay telephone service. PSPs shall provide and post on or near the pay phone:
  - a. The name and phone number of the owner of the instrument.
  - b. The operating instructions of the instrument.
  - c. A cost-free method for reporting complaints and obtaining refunds.
