A18.8 Intra-LATA Long Distance Operator Verification/Interruption Service

A18.8.1 General

Intra-LATA Verification Service provides operator assistance in determining if a called line is in use. Intra-LATA Interruption Service provides for operator interruption of voice conversation in progress on a called line to advise the interrupted subscriber that the interrupting party has an emergency need to reach him. Data use of a subscriber line will be verified, but not interrupted. The customer may request these intra-LATA long distance services for a charge, where facilities are available, by calling "0" operator.

Note 1: No allowances, exemptions, or exceptions apply. This service is available where technically feasible.
