A3. BASIC LOCAL EXCHANGE SERVICE

A3.1 General

- A. Rates for basic local exchange service are related to the total main station lines; main Centrex Type Services station lines and private branch exchange trunks in the Basic Local Calling Area as described in A3.6.
- B. Base Rate Areas, Zone Rate Areas, and Exchange Service Areas for each exchange are identified on maps filed as a supplement to the Guidebook.
- C. The rate for service and equipment not specifically shown in this section are presented in other sections.
- D. Individual main station line service is comprised of serving central office line equipment and all outside plant facilities needed to connect the serving central office with the customer premises at the demarcation point. These facilities are Company-provided and maintained and provide access to and from the telecommunications network for message toll service and for local calling appropriate to the offering selected by the customer.
- E. Effective with billing periods on or after May 13, 1987, a subscriber line charge is implemented at the rates shown following. The subscriber line charge is applicable to each working access line.
