6. 50 Hour Package

A usage sensitive offering of BellSouth Video Conferencing service for customers wishing to purchase a minimum of 50 hours conference time per site, per month. Additional time is permitted and will be billed per minute of use greater than 50 hours. The customer has the option of operating this service at or below the level of service quality purchased. The recurring monthly rate will be based on the highest level of service required. Normal calling scopes as defined in Sections A3. and A18. will apply to dial-in users.

7. 100 Hour Package

A usage sensitive offering of BellSouth Video Conferencing service for customers wishing to purchase a minimum of 100 hours conference time per site, per month. Additional time is permitted and will be billed per minute of use greater than 100 hours. The customer has the option of operating this service at or below the level of service quality purchased. The recurring monthly rate will be based on the highest level of service required. Normal calling scopes as defined in Sections A3. and A18. will apply to dial-in users.

8. Occasional Use Package

A usage sensitive offering for BellSouth Video Conferencing service customers that will provide dial-in video capability for occasional participants to a specific video conference. A per minute of use charge is applicable for each occasional use video site activated.

9. Multispeed Capability

BellSouth Video Conferencing service provides the capability for customers to operate at various speeds at or below the level of service quality purchased.

**B. Basis of Offering**

1. Detailed billing is not part of this service. It may be provided under special arrangements.

2. Suspension of service is not allowed.

3. Service Charges as defined in Section A4. are not applicable.

4. The minimum service period for monthly subscribers is one month. The minimum service period for occasional users is thirty minutes.

5. BellSouth Video Conferencing service is available to customers under occasional use, month-to-month and variable rate period options. Variable rate periods have rates based on lengths of twelve to thirty-six months or thirty-seven to sixty months under conditions specified in the Fast Packet Services Payment Plan, in A40.10. preceding, except as modified in A140.11.2.D. following.

6. BellSouth Video Conferencing service is not eligible for discount in accordance with provisions for concession service specified elsewhere in this Guidebook.

7. BellSouth Video Conferencing service is not available for use with Broadcast Quality Video Service.

8. BellSouth Video Conferencing service is provided on a per site basis.

9. A Network Compatibility Test is required and must be completed for each BellSouth Video Conferencing service site prior to scheduling the first conference. Initial testing is provided at no charge to the customer. Retesting may be necessary for changes such as CPE upgrades/moves, bit rate changes, or conference failure. Customers will be charged as provided in A140.11.3.E. following for any retesting.

10. When Multispeed Capability is provided with an initial installation of BellSouth Video Conferencing service, nonrecurring charges do not apply. When Multispeed Capability is provided subsequent to the initial installation of service, nonrecurring charges will apply as provided in A140.11.3.E. following.

11. Rates applicable to occasional use and month-to-month payment options are subject to company initiated changes.

12. The customer owned Codec equipment used to provide this service must be at ITU-T, H.320 standard and is a requirement of this service.

13. BellSouth Video Conferencing service must be provisioned with Extended Superframe Format (ESF) and Bipolar with 8 Zero substitution (Clear Channel Capability/B8ZS).

14. All dedicated DS0 facilities utilized for video must be reserved entirely for video and will be under full control of the BellSouth Video Conferencing service Master Scheduler.

15. Cascading of MCU's is not available with this service offering.
