A7.4 Access Line Service For Customer-Provided Public Telephones

A7.4.1 Definition And Requirements

- A. Access line service for customer-provided public telephones is an exchange line service provided at the request of a subscriber for telecommunications use by the general public.
1. This access line service is provided on a flat rate basis *in wire centers noted in paragraph A7.4.2.* (C)
 2. This access line service is provided for use with customer-provided non-coin-operated public telephones or customer-provided coin-operated public telephones.
 3. Completion of local messages is provided by the Company.
 4. The subscriber shall be responsible for the installation, maintenance and operation of customer-provided public telephones used in connection with this service.
 5. Customer-provided public telephones must be connected to the Company network in compliance with Part 68 of the F.C.C. Rules and Regulations.
 6. The service is furnished subject to the condition that all applicable terms and conditions in Section A2. will be adhered to, with the exception of A2.2.1.A. and A2.2.1.B., which restrict the use of service and prohibit payment to the customer by another for use of the service.
 7. The service is provided for use by the subscriber but may be used by others when so authorized by the subscriber, provided that all such usage is subject to the provisions of this Guidebook.
 8. This service is not subject to concessions.
 9. This service may not be suspended at a reduced rate.
 10. Access line service for customer-provided public telephones cannot be included on accounts containing other classes of service. A separate account is required for this offering at each location.
 11. This access line may include an optional screening feature to prevent the operator from allowing toll charges against the subscriber's line. The operator also cannot perform coin collecting functions.
 12. The Company is not responsible for refunds of coins deposited in customer-provided coin-operated public telephones.
 13. Customer-provided public telephones may not be attached to other types of access lines.
 14. The subscriber to this service will be responsible for any and all toll charges billed to the subscriber's account.

A7.4 Access Line Service For Customer-Provided Public Telephones (Cont'd)

A7.4.7 Customer Provided Public Inmate Calling Service (CPPICS)

- A. Access line service for customer-provided public telephone service when provided for exclusive use of inmates (hereafter called Customer-Provided Public Inmate Calling Service, or CPPICS) served within the confines of a penal, correctional or mental institution.
- B. Access lines to this service must be dedicated with one line for each station located within the inmate served area.
- C. Charges to initiate public calls utilizing these access lines are not to exceed the amounts specified in this Section for Public Telephone Service.
- D. In lieu of Public Telephone Access Service as described elsewhere in A7.4, CPE stations subscribing to CPPICS are provisioned by the customer as follows:
 - 1. May be arranged for outward only calling.
 - 2. May be arranged to terminate calls after a certain amount of conversation time, or in cases of emergency in accordance with any Rules and Regulations of the Commission and upon notification to the Company of such an arrangement. The Company will not provide credit or equivalent service to the called or calling parties for such calls.
 - 3. Shall be arranged to block Directory Assistance calls.
 - 4. Unrestricted public telephone service may be provided at the administrator's request in a fully supervised location.
 - 5. Shall be arranged to allow only 0+ collect calls for local, intraLATA, and interLATA calls and to block all other calling including, but not limited to, local direct, third number, 1+ sent-paid, 0+ sent-paid, 0- sent-paid, all 0-, 700, 800, 900, 950, 911, and 101XXXX. Where, however, the customer-provided stations can block additional digit dialing after initial call set-up, 1+ long distance and seven digit local calling may be permitted.
 - 6. May be arranged for seven digit sent-paid local calling and for 0+ collect calling for intraLATA, and interLATA calling.
 - 7. May be arranged to limit individual inmate calls to approved telephone numbers.
 - 8. May be arranged to block access to certain telephone numbers.
 - 9. At the request of the facility administrator, call detail information, such as date and time of call, duration of calls, and called and calling telephone numbers, may be furnished to the facility where prison authorities stipulate such information appropriate in preventing or identifying abuse or unlawful use of service and where the prison authorities stipulate that the provision of such information is not in violation of any federal, state or local laws, regulations or orders.
- E. Rates and charges for access line service for CPPICS are provided in A7.4.5. At the request of the facility administrator, blocking of equal access calls (101XXXX) may be provided on telephones for exclusive use of inmates at the rate following.

- (1) Blocking of equal access calls (101XXXX) from completion

	Rate	USOC
(a) Per line	\$1.04	PSE

- F. Except as modified herein, applicable terms, conditions and requirements as set forth elsewhere in A7.4 for customer-provided public telephones will apply to CPPICS, *including availability provided in A7.4.2.* (T)
- G. A notice shall be conspicuously displayed near CPPICS telephones which notifies inmates that the prison facility may monitor, time and restrict service from such phones and that information, such as date and time of call, duration of call, and originating and terminating number, may be furnished to the facility, and further, that the use of these telephones constitutes consent to this service.
