E2. GENERAL REGULATIONS

E2.7 Special Promotions

E2.7.1 Regulations

- A. The Company may offer special promotions of new or existing services or products upon 10 days notice to the Commission. These promotions are temporary waivers of certain recurring and/or nonrecurring charges or one-time credits to customers' accounts. Subject to the availability of services and facilities, promotions are offered on a completely nondiscriminatory basis with each subscriber in the classification of service and area for which the promotion is offered having an equal opportunity for participation. In the event that a promotion occurs during any other scheduled promotion, the customer may choose only one of the available promotions in which to participate. Notification will include the time period in which the promotion will be conducted as well as the terms and conditions.

E2.8 Reserved For Future Use

E2.13 TDM to IP Transition

E2.13.1 General TDM to IP Transition Provisions

As a result of evolving network technology, the Telephone Company is able to offer new, advanced services. At the same time, certain older services will no longer be available in some geographic areas, as those services are no longer technically or economically feasible. The table below identifies services that have been withdrawn, by wire center and exchange, along with additional information related to these service withdrawals.
