1. Rates And Charges (Cont'd)

b. Recorder - Connector Equipment

- (1) For the connection of attended and unattended customer-provided recording, reproducing and automatic answering and recording equipment with the facilities of the Company.

	Nonrecurring Charge	Monthly Rate	USOC RDL
(a) Each	\$25.08	\$4.39	

D. For Use With Alarm Detection And Reporting Equipment

1. Rates and Charges

- a. The following rates and charges are in addition to the rates and charges for the associated service and facilities:

A nonrecurring charge is applicable for moving or changing the alarm coupler from one telephone line to another, or for changing to an alarm coupler compatible with the tone signaling unit.

- (1) Voice connecting arrangement which permits dial pulse dialing and a one-way outgoing transmission for use with customer-provided alarm signaling device

(a) Each	25.08	2.51	CAU
----------	--------------	-------------	------------

- (2) Tone Signaling unit used with, but installed subsequent to, voice connecting arrangements CAU and SU6, to permit the operation of the customer-provided alarm device to be tested or verified from a remote location

(a) Each	12.54	4.81	SU3
----------	--------------	-------------	------------

- (3) Voice connecting arrangement CAU with the tone signaling unit installed together on the initial order

(a) Each	37.62	7.31	SU4
----------	--------------	-------------	------------

- (4) Voice connecting arrangement which provides for the use of the control unit with a customer-provided alarm device which requires 2-way voice transmission

(a) Each	26.12	6.48	SU6
----------	--------------	-------------	------------

A115.3.6 Connecting Arrangements (Cont'd)

E. For Use With Voice Transmitting and/or Receiving Terminal Equipment (Cont'd)

1. Rates and Charges (Cont'd)

a. (Cont'd)

- (7) Voice connecting arrangement for automatic connection of customer-provided voice transmitting and/or receiving terminal equipment to a main station line, foreign exchange line or WATS access line¹

	Nonrecurring Charge	Monthly Rate	USOC C2ACP
(a) Per line equipped	\$31.35	\$8.57	
(8) Voice Connecting Arrangement for automatic connection of customer-provided voice communications system and/or terminal equipment to Company facilities:			
(a) Per exchange line, PBX trunk or terminal equipment	37.62	6.06	STP
(9) Protector for use with connecting arrangements to allow customer-provided power-unit with customer-provided PBX			
(a) Per system, 24 volts	-	1.04	VCP24
(b) Per system, 48 volts	-	1.04	VCP48
(10) 2-wire protective connecting arrangement for connection of customer-provided answer only station equipment to central office, PBX or key system lines			
(a) Per arrangement	18.81	2.82	GTS
(11) Voice Connecting Arrangement for automatic connection of customer, authorized user, or joint user-provided communications system to a common control switching arrangement access line arranged for dial or automatic signaling, or to a private line which terminates at a distant end in a PBX arranged for dial or automatic signaling. This arrangement also provides for the network control signaling.			
(a) Per line equipped	31.35	4.70	CDQ
(12) Voice connecting arrangement to permit the connection of COAM system to a Company special recording trunk, outward service.			
(a) Each arrangement	-	4.13	CET

Note 1: Nonrecurring charge is in addition to the regular nonrecurring charge for the Central Office line(s), Foreign Exchange line(s), or WATS lines associated with these arrangements.
